iv. 42 diagnostic tests
Select the correct answer using the codes given below:

a. a-i, b-iv, c-ii, d-iii
b. a-ii, b-iii, c-i, d-iv
c. a-iii, b-i, c-ii, d-iv
d. a-ii, b-i, c-iv, d-iii

Answer: (d)
Correct code: a-ii, b-i, c-iv, d-iii – Adivathalli Bata roads – 900 km; Tribal Health Infrastructure Mission – ₹250 crore; 104 mobile health ambulances – 42 diagnostic tests; Coffee and pepper expansion – 1 lakh acres.

45. [New pattern · statements]

Consider the following statements about the Sanjeevani tribal development strategy of Andhra Pradesh:
1. It was launched at Ganneli, Araku Valley, in Alluri Sitarama Raju district.
2. An emergency network of 150 vehicles is planned in ASR district.
3. An agreement was made with IIT Hyderabad for IIT and NEET coaching.
4. The Talli Bidda Express provides transport for pregnant women.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (c)
Correct: statements 1, 2, 4. Statement 3 is wrong – the agreement is with IIT Madras.

46. [New pattern · assertion]

Assertion (A): Amma Vodi is not listed separately in the welfare convergence under the Sanjeevani tribal strategy.
Reason (R): Amma Vodi is the old name of Talliki Vandanam, which is already in the list.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the convergence list has Talliki Vandanam, Annadata Sukhibhava, Stree Shakti and Auto Driver Service; Amma Vodi is not separately listed because it is the old name of Talliki Vandanam.

47. [Kept own]

Who launched the Sanjeevani programme for tribal development, and where was it launched?

1. Talliki Vandanam and School / Higher Education Decisions (PYQs 1 · MCQs 18)

Talliki Vandanam (Thalliki Vandanam) 2026

Particular	Fact
Earlier name	Amma Vodi
Department	School Education Department
Benefit	₹15,000 per child per year to the mother/guardian; ₹2,000 deducted for school maintenance, sanitation, hygiene
2026 DBT	From 22 July 2026 – ₹13,000 credited (second year of the scheme)
Coverage	Class 1 to 12 (incl. Intermediate) – government, aided, private, residential schools
Type	Conditional cash transfer – 75% attendance
Aim	Reduce schooling cost → lower dropout, higher Gross Enrolment Ratio (GER) (APPSC Endowment PYQ) – not GDP, literacy or admissions in government schools only

- Benefit goes to **every eligible child** (not one per family); extended to orphaned children; account must be Aadhaar-seeded and NPCI-mapped. **DBT** was launched nationally in **2013**.

Criterion	Rule
Income	Rural below ₹10,000/month; urban below ₹12,000/month
Land	Wet up to 3 acres / dry up to 10 acres
Electricity	Below 300 units per month
Other	Rice Card mandatory; house below 1,000 sq ft

- **Excluded: ITI and Polytechnic** students.

1. [PYQ] · APPSC Endowment Subordinate Service (Mains) Paper-I General

A key objective of the Talliki Vandanam Scheme is to reduce the burden of schooling cost, thus improving

a. The Gross Domestic Product (GDP)
b. The Gross Enrollment Ratio (GER)
c. Admission rate in Government Schools
d. Increase of literacy rate in students

Answer: (b)

Talliki Vandanam pays ₹15,000 per child a year to mothers to cut the cost of schooling, so that fewer children drop out and the Gross Enrolment Ratio (GER) rises. It does not target GDP directly, it is not limited to admissions in government schools (private and aided schools are covered too), and it is not a literacy-rate scheme.

How much has Andhra Pradesh allocated for NTR Bharosa pensions for 2026-27?

a. ₹43,485.10 crore
b. ₹33,485.10 crore
c. ₹23,485.10 crore
d. ₹13,485.10 crore

Answer: (b)
State figure reported in Sept 2026: ₹33,485.10 crore earmarked for NTR Bharosa pensions in 2026-27 for 62 lakh beneficiaries (Deccan Chronicle 22 Sep 2026). Budget documents as summarised by Praveen CA-360 Feb 2026 p.60 and PRS give ₹27,719 crore allocated for the NTR Bharosa scheme; that figure is not among the options.
₹33,485.10 crore is the amount the AP government set aside for NTR Bharosa pensions in 2026-27, covering about 62 lakh pensioners, including 9.34 lakh under NSAP. The other options are made-up variants.

3. Amaravati – the Capital Act 2026 (PYQs 0 · MCQs 12)

Year / date	Event
2014	AP Reorganisation Act (under Article 3); Section 5: Hyderabad = common capital for not more than 10 years from 2 June 2014 (till June 2024); it

	named no capital – only "there shall be a new capital"
2019	Three capitals proposed: Visakhapatnam (executive), Amaravati (legislative), Kurnool (judicial)
2020	AP Decentralisation and Inclusive Development of All Regions Act, 2020 – repealed in 2021; the judicial capital was never operationalised
2022	AP High Court: State lacked competence to shift the capital; legitimate expectation of land-pooling farmers
26 Mar 2026	Cabinet (CM Naidu) approved the resolution and 96 new courts (1,730 posts)
28 Mar 2026	AP Assembly resolution asking Parliament to amend Section 5
1–2 Apr 2026	Parliament passed the AP Reorganisation (Amendment) Bill, 2026 (LS 1 April, RS 2 April)
Assent	President Droupadi Murmu under Article 111; in force after Gazette notification
Effect	Retrospective from 2 June 2024

- The 2026 Act amends **Section 5(2)**: inserts the words **"at Amaravati"** (not "at Visakhapatnam") → Amaravati is the **sole and permanent capital**; **future changes to the capital area need Parliament's approval**.
- **Amaravati** = the area notified under the **APCRDA Act, 2014**.
- The **Constitution does not specify** how a State capital is chosen – statute fills the gap.

Amaravati capital project

- Planned area about **217 sq km**; land through the **Land Pooling Scheme** (farmers get developed plots + annuity).
- APCRDA hired a consultant (**Mar–Apr 2026**) for a governance framework in line with the **73rd and 74th Amendments**.

National Judicial Academy and Justice City

- CM Naidu urged the **Supreme Court** to set up the **National Judicial Academy** in Amaravati, at a mediation conference of the AP State Legal Services Authority; chief guest **CJI Justice Surya Kant**, who called **mediation a pillar of justice**.
- **India's first Justice City** (capital region): High Court, NJA, Legal Services Authority, Mediation Centre, **International Law University**, Bar Council of India.

27. [New pattern · statements]

Consider the following statements about the Andhra Pradesh Reorganisation Act, 2014:
1. It was enacted under Article 3 of the Constitution.
2. Its Section 5 made Hyderabad the common capital for not more than 5 years from 2 June 2014.
3. It named Amaravati as the new capital of Andhra Pradesh.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (a)

Only statement 1 is correct. Statement 2 is wrong – Section 5 made Hyderabad the common capital for not more than 10 years (till June 2024). Statement 3 is wrong – the 2014 Act named no capital; it only said there shall be a new capital.

28. [New pattern · statements]

Consider the following statements about Andhra Pradesh's capital question:
1. The 2019 three-capitals plan proposed Visakhapatnam (executive), Amaravati (legislative) and Kurnool (judicial).
2. The AP Decentralisation and Inclusive Development of All Regions Act, 2020 was repealed in 2021.
3. In 2022 the AP High Court held that the State was competent to shift the capital.
Which of the statements given above is/are correct?

a. 2 only
b. 1 and 2 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (b)

Statement 3 is wrong: in 2022 the High Court held that the State lacked competence to shift the capital, citing the legitimate expectation of land-pooling farmers. Statements 1 and 2 are correct; the judicial capital was never operationalised.

29. [New pattern · statements]

Consider the following statements about the making of the AP Reorganisation (Amendment) Act, 2026:
1. On 26 March 2026 the State Cabinet approved the resolution along with 96 new courts.
2. On 28 March 2026 the AP Assembly passed a resolution asking Parliament to amend Section 5.
3. President Droupadi Murmu gave assent to the Bill under Article 200.
Which of the statements given above is/are NOT correct?

a. 1 only
b. 3 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (b)
Statement 3 is NOT correct: the President assents to Bills passed by Parliament under Article 111 (Article 200 deals with the Governor). Statements 1 (96 courts, 1,730 posts) and 2 are correct; Parliament passed the Bill on 1–2 April 2026.

30. [New pattern · assertion]

Assertion (A): Amaravati was made the sole capital of Andhra Pradesh through an amendment of a Central law, the AP Reorganisation Act, 2014.
Reason (R): The Constitution does not specify how a State capital is to be chosen.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: since the Constitution is silent on how a State capital is chosen, statute fills the gap – the 2026 Act amended Section 5(2) of the 2014 Act to insert 'at Amaravati', and future changes need Parliament's approval.

31. [New pattern · statements]

Consider the following statements about the AP Reorganisation (Amendment) Act, 2026:
1. It inserts the words 'at Amaravati' in Section 5(2) of the 2014 Act.
2. 'Amaravati' means the area notified under the APCRDA Act, 2014.
3. It has retrospective effect from 2 June 2014.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 1 and 3 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (a)
Statement 3 is wrong: the Act is retrospective from 2 June 2024 (the end of the ten-year common-capital period), not 2014. Statements 1 and 2 are correct – Amaravati becomes the sole and permanent capital.

32. [New pattern · statements]

Consider the following statements about the Amaravati capital region:
1. Its planned area is about 217 sq km, with land gathered through the Land Pooling Scheme.
2. APCRDA hired a consultant to design a governance framework in line with the 42nd and 44th Amendments.
3. CJI Justice Surya Kant described mediation as a pillar of justice at an AP State Legal Services Authority conference.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (b)
Statements 1 and 3 are correct. Statement 2 is wrong: the governance framework is to be in line with the 73rd and 74th Amendments (local self-government).

33. [Kept own]

4. Laws, Bills and Regulatory Reform (PYQs 0 · MCQs 11)

Bill (Assembly, March 2026)	Key points
AP Public Services (Second Amendment) Bill, 2025	Junior Assistant job on compassionate grounds to the son of Thota Chandraiah (victim of political violence, Palnadu); appointment by special resolution of the Council of Ministers, bypassing APPSC
AP Fire Service (Amendment) Bill, 2026	NOC replaced by a Fire Safety Certificate (FSC); fire department designated an Emergency Service; aligns with the Centre's 2019 Model Bill; standard fine ₹500 → ₹10,000; daily default fine ₹100 → ₹1,000

AP Jan Vishwas (Amendment of Provisions) Bill, 2026	Decriminalises minor offences (jail → fines); inspired by the Centre's Jan Vishwas Act, 2023; repeals drainage cess Acts of 1985 and 1986; motto "Minimum Government, Maximum Governance"

- SC view: compassionate appointment is a **valid exception** to equality in public employment (**Article 16**).

Deregulation Phase-2

- Regulations **800+ → fewer than 100**; clearance time cut by **at least 40%**; through the **Ordinance route**.
- Self-declaration / intimation, merged approvals, **end of double licensing**, third-party inspections, **colonial laws removed** (not retained); safety safeguards kept.
- Digital tool **CFMS = Comprehensive Financial Management System**; **Visakhapatnam** = AP's largest port by cargo.
- CM **N. Chandrababu Naidu** received **"Business Reformer of the Year"** (**The Economic Times**, Mumbai).

AP Electronic Processes Rules, 2025 (e-summons)

- **AP Electronic Processes (Issuance, Service and Execution) Rules, 2025** – made by the **AP High Court**; G.O.Ms.No.107, Home (Courts-B), 22 May 2026.
- Summons, warrants, notices via **WhatsApp, Signal, Telegram and email**, encrypted and **digitally signed** by the judicial officer; police submit a **screenshot or delivery report** as proof; **physical service continues where e-service fails** (it is not discontinued).
- Background: the **IT Act, 2000** recognises electronic records and signatures; during **COVID-19** the SC allowed service by email, WhatsApp, Telegram, Signal.

b. A-3, B-2, C-4, D-1
c. A-4, B-3, C-2, D-1
d. A-1, B-2, C-3, D-4

Answer: (c)
Public Services (Second Amendment) Bill – Junior Assistant post to Thota Chandraiah's son; Fire Service (Amendment) Bill – NOC replaced by a Fire Safety Certificate; Jan Vishwas Bill – jail terms for minor offences replaced by fines; Electronic Processes Rules (AP High Court) – e-summons.

40. [New pattern · statements]

Consider the following statements about the AP Fire Service (Amendment) Bill, 2026:
1. It designates the fire department an Emergency Service and aligns with the Centre's 2019 Model Bill.
2. It raises the standard fine from ₹500 to ₹10,000.
3. It raises the daily default fine from ₹100 to ₹500.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. 3 only
d. 1 and 2 only

Answer: (d)
Statement 3 is wrong: the daily default fine rises from ₹100 to ₹1,000. Statements 1 and 2 are correct.

41. [New pattern · statements]

Consider the following statements about the AP Jan Vishwas (Amendment of Provisions) Bill, 2026:
1. It is inspired by the Centre's Jan Vishwas Act, 2021.
2. It repeals the drainage cess Acts of 1985 and 1986.
3. Its motto is 'Minimum Government, Maximum Governance'.
Which of the statements given above is/are correct?

a. 1 only
b. 3 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (c)
Statement 1 is wrong: the Central Jan Vishwas Act is of 2023. Statements 2 and 3 are correct.

42. [New pattern · assertion]

Assertion (A): The AP Public Services (Second Amendment) Bill, 2025 allows a Junior Assistant appointment on compassionate grounds by a special resolution of the Council of Ministers, bypassing the APPSC.
Reason (R): The Supreme Court treats compassionate appointment as a valid exception to equality in public employment under Article 16.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: because compassionate appointment is an accepted exception to Article 16, the State could appoint Thota Chandraiah's son (victim of political violence, Palnadu) outside the normal APPSC route.

43. [New pattern · statements]

Consider the following statements about Andhra Pradesh's Deregulation Phase-2:
1. It cuts more than 800 regulations to fewer than 100 through the Ordinance route.

6. Draft Population Management Policy 2026 (PYQs 0 · MCQs 9)

- Introduced by CM **N. Chandrababu Naidu** – **first of its kind in India**; shift from population **control** to population **management** (pro-natalist).
- Objective: raise TFR to **replacement level 2.1**; AP fertility about **1.5**, projected **1.2 by 2040**; **SRS 2024: AP TFR 1.4** (not 1.6); India 1.9.
- AP **median age 32.5 years** (India 28.4); **female LFPR target ~31% → nearly 59%**.

Measure (draft)	Detail
Birth incentive	₹25,000 one-time at birth of second or third child
Poshana–Shiksha–Suraksha (third child)	₹1,000 a month for 5 years + free education to 18
Maternity leave	12 months for the third child
Paternity leave	2 months
IVF for childless couples	Through a public-private partnership

Five components

Component	Focus
Matrutva	Maternal health
Shakti	Women's workforce
Kshema	Elderly care
Naipunyam	Skills
Sanjeevani	Digital public health

Third and fourth child incentives (Collectors' Conference, May 2026)

Child	Cash (to mother's account)	Millets per month
Third	₹30,000	3 kg
Fourth	₹40,000	6 kg

- Gram Sabhas in May–July 2026, then Council of Ministers; likely start **15 August 2026**.
- CM also directed: **scale down family-planning operations**, **reduce C-sections in private hospitals**, curb teenage pregnancies.

61. [New pattern · statements]
Consider the following statements about Andhra Pradesh's draft Population Management Policy 2026:
1. It shifts the approach from population control to population management.
2. It aims at the replacement-level TFR of 2.1, while SRS 2024 puts AP's TFR at 1.6.
3. AP's median age is 32.5 years against India's 28.4.
4. It targets raising female LFPR from about 31% to nearly 59%.
Which of the statements given above is/are correct?

a. 1 and 4 only
b. 2 and 4 only
c. 3 and 4 only
d. 1, 3 and 4 only

Answer: (d)
Statement 2 is wrong: SRS 2024 puts AP's TFR at 1.4 (India 1.9), not 1.6; the target is indeed 2.1. Statements 1, 3 and 4 are correct.

64. [New pattern · statements]

Consider the following statements about the third and fourth child incentives discussed at the May 2026 Collectors' Conference:
1. ₹30,000 is to be paid to the mother's account for a third child, with 3 kg of millets a month.
2. ₹40,000 is to be paid for a fourth child, with 3 kg of millets a month.
3. The incentives are likely to start on 15 August 2026, after Gram Sabhas and the Council of Ministers.
Which of the statements given above is/are NOT correct?

a. 1 only
b. 2 only
c. 3 only
d. 1 and 3 only

Answer: (b)
Statement 2 is NOT correct: the fourth child gets ₹40,000 with 6 kg (not 3 kg) of millets a month. Statements 1 and 3 are correct.

65. [New pattern · assertion]

Assertion (A): The Chief Minister directed that family-planning operations in Andhra Pradesh be scaled down.
Reason (R): Andhra Pradesh's total fertility rate (1.4 as per SRS 2024) is below the replacement level of 2.1.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: with fertility below replacement, the State moved to a pro-natalist 'population management' approach – scaling down family-planning operations, reducing C-sections and offering birth incentives.

66. [Kept own]
Andhra Pradesh's fertility rate, now about 1.5, is projected to fall to what level by 2040?

a. 1.0
b. 1.2
c. 1.3
d. 1.4

Answer: (b)
AP's fertility rate of about 1.5 is projected to decline to 1.2 by 2040.

67. [Kept own]
Under the proposed Andhra Pradesh population policy, through which mode is IVF for childless couples to be provided?

a. Government hospitals alone
b. A public-private partnership
c. Private hospitals with full reimbursement
d. A Central Government scheme

Answer: (b)
The proposal offers IVF to childless couples through a public-private partnership, alongside the NTR Baby Kit and enrolment in Anganwadi and Thalli Ki Vandanam.

68. [Kept own]
What was the notable distinction of Andhra Pradesh's draft Population Management Policy 2026 introduced by Chief Minister N. Chandrababu Naidu?

a. It was the first such policy in Andhra Pradesh
b. It was the first policy of its kind in India
c. It was the first population-control policy in India
d. It was the first policy to retain the family-planning approach

Answer: (b)
The draft Population Management Policy 2026 was described as the first of its kind in India. It also marked a pro-natalist reversal of the earlier family-planning approach, so it was not a continuation of population control.

69. [Kept own]
According to Andhra Pradesh's draft population policy, what is the State's median age?

a. 28.4 years
b. 30.5 years
c. 32.5 years

4. The NRSC–APSDMA MoU uses remote sensing to map lightning hotspots.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (c)
Statement 2 is wrong: VAHAN is for vehicle registration and SARATHI for driving licences. Statements 1, 3 and 4 are correct (I4C, set up 2018, runs the 1930 helpline; NRSC, Hyderabad, est. 1974).

75. [New pattern · assertion]

Assertion (A): APSRTC is inducting 5,746 electric buses over five years.
Reason (R): The running cost of electric buses is 30–40% lower than that of diesel buses.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the lower running cost (30–40% below diesel) is the reason for the switch; the buses are taken on a Gross Cost Contract.

88. [New pattern · statements]

Consider the following statements about C-SAFE in Andhra Pradesh:
1. C-SAFE stands for Caesarean Section – Safety and Appropriateness; UNICEF is one of its partners.
2. At Machilipatnam GH, normal deliveries rose from 23% to 34%.
3. AP's C-section rate is 67.76% in government hospitals and 42.11% in private hospitals.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. 3 only
d. 1 and 2 only

Answer: (d)
Statement 3 reverses the figures: 42.11% in government and 67.76% in private hospitals (WHO ideal 10–15%). Statements 1 and 2 are correct.

89. [New pattern · assertion]

Assertion (A): Andhra Pradesh launched C-SAFE to cut unnecessary Caesarean sections.
Reason (R): AP's C-section rates (42.11% in government and 67.76% in private hospitals) are far above the WHO ideal of 10–15%.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the high C-section rates, far above the WHO ideal, are why C-SAFE (with the Universities of Liverpool and Birmingham, Fernandez Foundation and UNICEF) aims to cut unnecessary C-sections.

94. [New pattern · statements]
Consider the following statements:
1. APCNF was shortlisted for the Food Planet Prize 2026 of the Curt Bergfors Foundation, Sweden.
2. The Farm to Home model sells farmers' produce through Rythu Bazaars alone.
3. The Soil and Seed Information Centre at Kiloguda began in 2001 with 45 varieties and now has 360+.
Which of the statements given above is/are correct?

a. 1 only
b. 3 only
c. 1 and 2 only
d. 1 and 3 only

Answer: (d)
Statement 2 is wrong: Farm to Home links farmers to consumers via FPOs with the Rythu App, Digi Rythu Bazaar App and Rythu Bazaars – not Rythu Bazaars alone. Statements 1 (it went on to win the 2026 prize) and 3 are correct.

95. [New pattern · statements]
Consider the following statements about 'Araku Kouni':
1. It is AP's first tribal millet menu, based on recipes of Alluri Sitarama Raju district.
2. It was first introduced at the Indian Culinary Institute, Tirupati.
3. Its recipes were documented by APTDC.
Which of the statements given above is/are correct?

a. 1 only
b. 3 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (a)
Only statement 1 is correct. It was first served in APTDC's Haritha restaurants in ASR district, and it was documented by the Indian Culinary Institute, Tirupati – statements 2 and 3 swap these roles.

96. [New pattern · statements]

Consider the following statements about livestock care in Andhra Pradesh (2026):
1. The FMD vaccination drive (16 March – 29 April 2026) targets a bacterial disease.
2. The heat-stress advisory says indigenous breeds are more vulnerable than crossbred animals.
3. The advisory recommends cattle sheds in an east–west orientation.
4. Pashu Samvardhaka Margadarshini is a livestock e-magazine launched by Minister K. Atchannaidu.
Which of the statements given above is/are correct?

a. 1 only
b. 1 and 2 only
c. 3 and 4 only
d. 2, 3 and 4 only

Answer: (c)

Statement 1 is wrong – FMD is a viral disease (drive under NADCP, calves above four months). Statement 2 is wrong – crossbred/high-yield animals are more vulnerable than indigenous breeds. Statements 3 and 4 are correct.

97. [New pattern · assertion]

Assertion (A): AP's summer advisory asks farmers to give special care to crossbred and high-yield dairy animals.
Reason (R): Indigenous breeds are more vulnerable to heat stress than crossbred animals.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (c)

A is true but R is false: the advisory says crossbred / high-yield animals are more vulnerable than indigenous breeds, which is why they need extra care (clean water all day, community troughs, east–west sheds).

4. [New pattern · assertion]

Assertion (A): Andhra Pradesh's proposed Population Management Policy seeks to address an ageing population.
Reason (R): Andhra Pradesh's population is growing too fast.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (c)
A is true but R is false: the policy announced at the December 2025 Collectors' Conference targets an ageing population, not over-population.

5. [New pattern · statements]

Consider the following statements about targets set at the AP Collectors' Conference:
1. Groundwater is to be raised to 3 metres below ground at the end of the monsoon.
2. Groundwater should not fall below 8 metres before the next monsoon.
3. Swarnandhra-2047 has 5 guiding principles (Padi Sutralu).
4. The aim is to double GSDP and per capita income every ten years.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (b)
Statements 1 and 2 are correct (8 m is the floor, 3 m the monsoon-end target). Statement 3 is wrong – there are 10 Padi Sutralu. Statement 4 is wrong – the aim is to double them every five years.

6. [New pattern · assertion]

Assertion (A): Excise duty on unbranded/raw tobacco (HS code 2401) was cut to 0% from 1 February 2026.
Reason (R): The cut was meant to remove classification ambiguity and curb evasion.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)

Both are true and R explains A: the Finance Ministry (CBIC) notified the zero duty to end classification ambiguity and evasion; CM Naidu welcomed it as a benefit to AP tobacco farmers.

3. Policing: AI4AP, Enforcement Drives and Women's Safety (PYQs 0 · MCQs 6)

AI4AP Police project

- **Pilot in Chittoor, Guntur and Annamayya** (February 2026); launched by DGP **Harish Kumar Gupta** at **Mangalagiri Police HQ**; integrated with **CCTNS**; AI **assists, not replaces** investigators.
- Origin: **AI4 Andhra Police Hackathon (June 2025)** – India's first police-specific AI hackathon; **knowledge partner 4sightAI**, technology partner Sparity.
- **Eight modules**: complaint reception, digital evidence, social media monitoring, petition review, telecom/banking notices, investigation co-pilot, OCR for paper records, news tracking – **no facial-recognition training module**.

Enforcement drives

Drive	Key facts
Operation Vajra Prahar (SPS Nellore)	Anti-drug cycle rally, slogan "Say No to Drugs, Bro – Ride a Cycle, Bro"; habitual offenders detained under the PIT NDPS Act; State anti-narcotics wing AP EAGLE
Operation Chinnari-Thalli (statewide, AP Police Women and Child Safety Wing)	Crimes against children; tagline "Safe childhood for sustainable development"; Sexual Offenders Sheets for offenders of the past 5 years; charge sheets within 60 days; SPs/CPs to prepare action plans within 48 hours (not 24)

Visakhapatnam and women's safety

- **Visakhapatnam** projected by AP as the **"Safest City for Women"** after the **NARI 2025** report (NCW, Aug 2025) put it among the top safest cities (with Kohima, Bhubaneswar); measures: **Shakti Teams and the Shakti App**; police reach time **15 minutes urban**, 10 minutes rural.

Police health insurance (Visakhapatnam City Police)

- Described as the **first of its kind** for police in India. Cover: **below 55 years ₹2 lakh – ₹15 lakh**; above 55 years ₹3 lakh – ₹30 lakh; **first-year premium paid by the police (police fund)**; covers **spouse + 2 children**; **2,576 families** in year one.

~~ Sources: CARE Feb 2026 p.7-8 (AI4AP pilot districts, CCTNS, hackathon), p.26 (Vajra Prahar, NDPS), p.32-33 (Chinnari-Thalli); India TV News 28 Aug 2025 and Outlook coverage of NARI 2025 (search results: Kohima, Visakhapatnam, Bhubaneswar among safest); The Hans India 5 Dec 2025 "Adequate health insurance coverage for police" (fetched: Visakhapatnam City Police, 2,576 families, first-year premium from police fund); app notes 6:3 (sub 3: modules, 48 hours, insurance age bands)

21. [New pattern · statements]
Consider the following statements about the AI4AP Police project:
1. It was piloted in Chittoor, Guntur and Krishna districts.
2. It is integrated with CCTNS, and AI assists but does not replace investigators.
3. Its knowledge partner was Sparity.
4. Its eight modules include a facial-recognition training module.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (a)
Only statement 2 is correct. The pilot districts are Chittoor, Guntur and Annamayya; the knowledge partner is 4sightAI (Sparity was the technology partner); the eight modules have no facial-recognition training module.

Select the correct answer using the code given below:

a. A-1, B-4, C-2, D-3
b. A-1, B-3, C-2, D-4
c. A-3, B-4, C-2, D-1
d. A-3, B-1, C-4, D-2

Answer: (a)

Operation Vajra Prahar (SPS Nellore) – anti-drug cycle rally slogan; Operation Chinnari-Thalli (Women and Child Safety Wing) – 'Safe childhood for sustainable development'; AP EAGLE – State anti-narcotics wing; PIT NDPS Act – detention of habitual offenders.

23. [New pattern · statements]

Consider the following statements:
1. The NARI 2025 report put Visakhapatnam among the top safest cities for women, with Kohima and Bhubaneswar.
2. Police reach time under Visakhapatnam's women's safety measures is 10 minutes in urban areas.
3. Visakhapatnam City Police health insurance covers ₹2–15 lakh below 55 years and ₹3–30 lakh above 55.
4. The first-year premium of that insurance is paid by the personnel's families.
Which of the statements given above is/are correct?

a. 3 only
b. 1 and 2 only
c. 1 and 3 only
d. 2 and 3 only

Answer: (c)

Statements 2 and 4 are wrong: reach time is 15 minutes urban (10 minutes rural), and the first-year premium is paid by the police (police fund). Statements 1 and 3 are correct; the cover includes spouse + 2 children, 2,576 families in year one.

24. [New pattern · assertion]

Assertion (A): The Visakhapatnam City Police health insurance scheme was described as the first of its kind for police in India.
Reason (R): Its first-year premium was paid from the police fund.

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (b)

Both statements are true (notes: 'first of its kind'; 'first-year premium paid by the police (police fund)'), but who paid the premium does not explain why it is called the first of its kind.

25. [Kept own]

Which of the following statements about Operation Chinnari-Thalli is incorrect?

a. It was launched statewide by the AP Police under the Women and Child Safety Wing.
b. Its tagline is “Safe childhood for sustainable development”.
c. SPs and CPs are required to prepare action plans within 24 hours.
d. Sexual Offenders Sheets are to be prepared for offenders of the past five years, and charge sheets are to be filed within 60 days.

Answer: (c)

The fourth statement is incorrect. SPs and CPs were directed to prepare action plans within 48 hours, not 24 hours. The other statements correctly describe the statewide drive, its tagline, and its measures concerning offenders and charge sheets.

26. [Kept own]

Who launched the AI4AP Police project at the Mangalagiri Police Headquarters?

~~ Sources: Rocket CA 2026 Part 01 p.92 (Census 2027); app notes 6:3 (sub 10: IEC drive, Phase 1 dates, Principal Census Officers, ₹11,718 crore, district reorganisation, DDO offices, drain SOP)

33. [New pattern · statements]

Consider the following statements about Census 2027:
1. It is the 16th Census and India's first digital census, with a budget of ₹11,718 crore.
2. Its Phase 1 (House Listing and Housing Census) runs from 1 April to 30 September 2027.
3. District Collectors are the Principal Census Officers.
4. Delimitation will precede Census 2027.
Which of the statements given above is/are correct?

a. 1 only
b. 3 only
c. 1 and 2 only
d. 1 and 3 only

Answer: (d)
Statements 2 and 4 are wrong: Phase 1 runs 1 April – 30 September 2026, and delimitation will follow (not precede) the Census. Statements 1 and 3 are correct; it is the first census in 16 years (last 2011).

34. [New pattern · statements]

Consider the following statements:
1. In AP's district reorganisation, objections were invited for 30 days and the final decision rests with the CM.
2. The Divisional Development Officer offices opened on 4 December are meant to strengthen Urban Local Bodies.
3. The SOP for de-siltation of urban drains covers only pre-monsoon cleaning.
4. Under that SOP, Municipal Commissioners are personally responsible.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (b)
Statements 1 and 4 are correct (objections go to a cabinet subcommittee; decision by the CM, not the Governor). Statement 2 is wrong – DDO offices strengthen Panchayat Raj. Statement 3 is wrong – the SOP covers the entire lifecycle: design, mapping, maintenance and monitoring.

1. Health - Universal Health Policy, NTR Vaidya Seva and Gates Partnership (PYQs 3 · MCQs 11)

Universal Health Policy (Cabinet, September 2025)

- Approved by the AP Cabinet chaired by CM N. Chandrababu Naidu.
- Free treatment **up to ₹25 lakh per family per year**, **irrespective of economic status**: AP is the **first State** to offer such high-value universal cover.
- Beneficiaries: **1.63 crore families** = **1.43 crore economically weaker + 20 lakh others**.
- Integrates **Ayushman Bharat + NTR Vaidya Seva**; network of **2,493 hospitals**; **3,257 procedures**.
- **Pre-authorisation within 6 hours**.

Layer (hybrid model)	Cover	Paid by
Insurance	claims up to ₹2.5 lakh per family	insurance companies
Trust	claims ₹2.5 lakh – ₹25 lakh per family	NTR Vaidya Seva Trust

- The **hybrid model** was announced in **January 2025**: insurance ₹2.5 lakh plus Trust-funded treatment up to **₹25 lakh per family** for the poor (**APPSC 2025 key: ₹25 lakh**).
- **Insurers:** the insurance layer uses **both public and private insurance companies**; the Trust bears ₹2.5–25 lakh (APPSC FRO 2025: both statements – ₹25 lakh per family a year and public + private insurers – correct).
- **APSES 2024–25** (earlier pattern): up to **₹5 lakh per family per year**; total up to ₹25 lakh; **no limit for cancer**; annual family income up to **₹5 lakh**; runs alongside **Ayushman Bharat PM-JAY (₹5 lakh per family)**.

> Insurance handles the first ₹2.5 lakh; the Trust handles ₹2.5–25 lakh, not the reverse.

> ₹2.5 lakh = insurance layer; ₹25 lakh = per family (Trust); ₹5 lakh = per family a year (PM-JAY / APSES).

NTR Vaidya Seva - dues and rationalisation

- **ASHA (AP Speciality Hospitals Association)** resumed **cashless services from 8 April 2025** after the CM released **₹500 crore**.
- Suspension was in **over 730 private hospitals**; dues **₹3,500 crore** (**₹2,000 crore** to private hospitals); **package rates unchanged since 2018**.
- Scheme: free tertiary care for BPL patients through empanelled hospitals.
- **Rationalisation: 155 treatments added** to government hospitals (hysterectomy, appendectomy, ENT) → total **324**; **197 rare services continue free** (e.g. thymus removal, duodenum excision; not merged); earlier list inflated to **3,257** services (dengue, typhoid, paratyphoid listed separately); **319 similar services → 133 categories**; remaining **2,736 → 2,550 categories** via insurance company.

Project Sanjeevani

- Launched by the CM at the **Swasth Nari–Sashakt Parivar Abhiyan** programme, **Visakhapatnam**; upcoming initiative for **preventive healthcare**.
- Integrates **Ayushman Bharat + NTR health services + global practices**.
- Partners: **Bill & Melinda Gates Foundation** and **TCS**: digital health records for about **5 crore citizens**.
- Health budget **₹19,264 crore (2024–25)**; universal insurance **₹2.5 lakh per family** (not ₹10 lakh); NTR Vaidya Seva Trust up to ₹25 lakh for the poor.
- **13,944 health camps** (17 Sept – 2 Oct): BP, diabetes, oral/breast/cervical cancer, TB.
- Also: **Deepam** 3 free LPG cylinders a year; **DWCRA** groups ₹20,000 crore savings, default **2%**; **National Nutrition Month** (17 Sept – 16 Oct).

104 Mobile Medical Unit (restructured)

- **47 confirmatory tests at the doorstep** = **20 for all** (blood glucose, CBP, renal, liver, lipid profile, urine, arterial blood gas) + **27 disease-specific**; builds **Electronic Health Records**.
- Provider: consortium led by **Bhavya Health Services Pvt Ltd** with **SRIT India Pvt Ltd**.
- **₹195 per person** for 20 common tests; each vehicle screens **35 persons a day**; began on a **pilot basis**.

Joint decoy operation against female foeticide

- **Karnataka and AP Health Departments**, **21 September 2025**, private nursing home in **Kodumuru taluk, Kurnool**.

Law	Provision
PCPNDT Act, 1994 (amended 2003)	bans sex determination; up to 3 years jail, fine up to ₹50,000
MTP Act, 1971 (amended 2021)	up to 24 weeks in certain cases; not for sex selection

- **NFHS-5 SRB: 929** girls per 1,000 boys; **Beti Bachao Beti Padhao (2015)**.

Gates Foundation partnership (2025)

- **Bill & Melinda Gates Foundation:** AP's 2025 strategic partnership/MoU to improve **health, education and agriculture using technology** (AI, data, digital public infrastructure) (APPSC FSO 2025 key; not WHO, NITI Aayog or Tata Trusts).

> Gates Foundation appears twice: the 2025 tech MoU (health, education, agriculture) and Project Sanjeevani (with TCS).

1. [PYQ] · APPSC Forest Section Officer (Mains) Paper-I General Studies

Which organization signed an MoU with the Andhra Pradesh Government in 2025 to improve health, education and agriculture using technology?

a. WHO
b. NITI Aayog
c. Bill and Melinda Gates Foundation
d. Tata Trusts

Answer: (c)

The AP government's 2025 partnership with the Bill & Melinda Gates Foundation uses technology (AI, data, digital public infrastructure) to improve health, education and agriculture; the Foundation is also a partner of Project Sanjeevani. WHO, NITI Aayog and Tata Trusts were not the 2025 MoU partner.

2. [PYQ] · APPSC

What is the upper limit of free treatment coverage provided under the new hybrid model of NTR Vaidya Seva announced in January 2025 in Andhra Pradesh?

a. ₹10 lakh
b. ₹15 lakh
c. ₹20 lakh
d. ₹25 lakh

Answer: (d)

Under the hybrid model announced in January 2025, insurance covers claims up to ₹2.5 lakh and the Dr NTR Vaidya Seva Trust funds treatment from ₹2.5 lakh up to ₹25 lakh per family. So the upper limit is ₹25 lakh; ₹10, ₹15 and ₹20 lakh are wrong.

3. [PYQ] · APPSC Forest Range Officer Screening Test General Studies &

Consider the following statements about the NTR Vaidya Seva Scheme Model of Andhra Pradesh and select the correct option.
Statement 1: The new insurance model will provide health coverage of up to 25 lakh per family annually.
Statement 2: Both public and private insurers will be utilised under this model to ensure broader health coverage for families.

a. Only Statement 1 is correct.
b. Only Statement 2 is correct.
c. Both Statement 1 and Statement 2 are correct.
d. Both Statement 1 and Statement 2 are incorrect.

Answer: (c)

Both are correct: the new NTR Vaidya Seva hybrid model covers up to ₹25 lakh per family a year, and it uses insurers (public and private) for claims up to ₹2.5 lakh while the Trust bears ₹2.5–25 lakh.

4. [New pattern · statements]

Consider the following statements about the Andhra Pradesh Universal Health Policy approved by the Cabinet in September 2025:
1. It provides free treatment up to ₹25 lakh per family per year, irrespective of economic status.
2. It covers 1.63 crore families through a network of 2,493 hospitals.
3. Pre-authorisation for treatment is to be given within 24 hours.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 2 and 3 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (a)

Correct: statements 1, 2. Statement 3 is wrong – pre-authorisation is to be given within 6 hours.

3. P4 - Zero Poverty Programme (PYQs 1 · MCQs 5)

What P4 is

- **P4 = Public-Private-People Partnership** (also written **People–Private–Public Partnership for the Poor**).
- Launched on **Ugadi, 30 March 2025**; under the **Planning Department**; goal: **complete eradication of poverty** (**Zero Poverty** sutram); linked with **SDG 1 (No Poverty)**.
- **Swarna Andhra P4 Foundation**: poverty eradication, under the **Planning Department**.
- Claimed as a **first-of-its-kind convergence model** in India; government acts only as a **facilitator**; whole-of-society, **voluntary** model (2025-26).

Who is who in P4

Term	Meaning
Margadarshi / Margadarsi	well-off mentor who adopts a family; selected voluntarily (no compulsion)
Bangaru Kutumbam / Bangaru Kutumbalu	"Golden Families": the poor families who are adopted

- Mentor role goes beyond money: **emotional reassurance, guidance, continuous support**. Mentors can be individuals, NGOs or corporates.
- Target: **5 lakh** Golden Families adopted **by 15 August**; Phase 1 scale about **21.8 lakh families**.
- Donor platforms: **Milaap, DonateKart, RangDe**.
- **Dokka Seethamma** (19th-century social reformer, known for selfless service to the poor) is remembered in P4 messaging.
- Update (6 Jul 2026): about **9,000 Kuppam families** adopted by **Adani, TVS Motor and MEIL**.

> Margadarsi = mentor (adopts); Bangaru Kutumbam = poor family (adopted). Margadarsis are volunteers, not nominated by government.

P4 structure

Level	Head
State society	Chairperson: CM N. Chandrababu Naidu; Vice-Chairperson: Deputy CM Pawan Kalyan; CEO, Director, call centre
District	District In-charge Ministers
Constituency	MLAs
Village/ward	Panchayat / Ward Administrative Secretaries

> "Primary goal of P4" = poverty eradication (zero poverty), SDG 1.

Linked farm schemes

- **Annadata Sukhibhava + PM-Kisan**: **₹20,000 a year** per farmer = **State ₹14,000 + Centre ₹6,000**, in **three instalments**; launched **2 August 2025** (₹7,000 each to about 47 lakh farmers). By November 2025, **₹14,000 paid in two instalments** to **46.5 lakh farmers**; **₹6,310 crore** disbursed.
- **Polam Pilustondi (Field Calls)**: began **August 2014**; **awareness programme on profitable farming** (**APPSC 2024 key**).

  - Officials and scientists go to villages to make farmers aware of **low-cost, high-yield farming**; it is not an investment, volunteering or farm-tourism scheme. Also one of the **five campaigns** of the 2014 mission strategy (see 6:5).

- Priority for **drip irrigation**; **Rythu Bazaars** for certified natural produce; cheaper fertilisers at **Gromor centres**.
- **Rythu Bharosa Kendras renamed Rythu Seva Kendras**: **10,606** village farmer-service centres.

Farmer Champions (SPSR Nellore)

- By SPSR Nellore district administration: market-oriented, profitable farming in **722 gram panchayats** of **37 mandals**, for **two years** (experimental).
- **One lead farmer per panchayat = 722 Farmer Champions**, selected by **Mandal Agricultural Officers**; support: training, modern machinery, post-harvest techniques, **CSR** support.

e-Panta crop survey exemption

- Centre approved AP's request to **exempt non-agricultural/non-cultivable land** from the **e-Panta Digital Crop Survey** for **Kharif 2025**; review chaired by **Rajeev Chawla** (AgriStack Chief Officer), 16 October.
- Parcels: **2.92 crore** total; **1.59 crore (55%)** registered; **1.33 crore** mostly hills, rocks, canals, urban land.
- **NIC** built a new module, given to **Rythu Seva Kendras**; deadline **30 October 2025**.

Top districts	Lagging districts
Prakasam 71%	Visakhapatnam 33%
Kakinada 68%	ASR 38%
Anantapur 67%	Anakapalli 39%

Livestock insurance (modified, under NLM)

Animal	Cover	Premium
Cattle, buffaloes	3 years	6.40%
Sheep, goats, pigs	1 year	3%
Sheep, goats, pigs	2 years	4.5%
Sheep, goats, pigs	3 years	6.25%

- In force from **1 April 2025**. **Farmer pays 15%** of premium; remaining **85% shared Centre:State 60:40** (AP is a general-category State).
- Under the amended NLM norms (Cabinet, **February 2024**) the beneficiary share was cut to **15%** (earlier 20%–50%); the rest is shared **60:40** in general States, **90:10** in hilly and North-Eastern States, and **100%** by the Centre in UTs.

> Livestock insurance: farmer **15%**, the remaining 85% split **Centre 60 : State 40** – not "40% Centre + 40% State + 20% farmer".

- Limits raised: large animals **5 → 10** per farmer; sheep/goats **50 → 100**.

Fisheries and aquaculture

- **'Super GST – Super Savings'**: AP Fisheries Department programme at **Narendrapuram** village; GST on key fisheries items cut **12% → 5%** (marine products, processed fish, shrimp, fish oils, organic manure, aquaculture equipment, fishing gear, ammonia and micronutrients, processing services).
- **Power subsidy ₹1.50 per unit** for aqua farmers registered under **APSADA**; average saving **₹20,000 per acre**.
- **Union Budget 2025–26 reduced** (not increased) customs duty on shrimp feed, fish feed and aquaculture inputs.
- **AIC–APGB MoU** (Guntur): **Agriculture Insurance Company of India** + **Andhra Pradesh Grameena Bank**; **bancassurance** (AIC products via APGB rural branches); covers shrimp losses from diseases, cyclones, poor water quality; livestock insurance planned. **APGB** = RRB sponsored by **Union Bank of India**.
- AP produces **35–40% of India's shrimp**.
- **APSADA Act, 2020 amendment**: licence validity **lifetime → 1 year** for aquaculture business (hatcheries, feed mills, seed units) and **5 years** for farming; aligns with **Coastal Aquaculture Authority Act, 2005**; old registrations endorsed on licence fee + **50% late fee** (about 20% farmers can regularise). **APSADA = Andhra Pradesh State Aquaculture Development Authority (Agency)**.
- **Australia's first import approval for unpeeled Indian prawns** (earlier ban due to **White Spot Syndrome Virus**), announced by **Nara Lokesh** on his Australia tour (October 2025); the US had imposed steep tariffs on Indian prawns.

Uppada fishermen committee (G.O. 345, 7 October 2025)

- Uppada and coastal villages of **U. Kothapalli Mandal, Kakinada**; sea pollution from pharma and other industries; road blockades in September 2025.

Member	Role
Kakinada District Collector	Member-Convener
Member-Secretary, AP Pollution Control Board	Member-Secretary
Commissioners of Industries and Fisheries	members
Fishing community representatives	nominated by the Collector

- Mandate: examine grievances, recommend **compensation**, suggest **alternative livelihoods**.

Cashew

- **AP Cashew Manufacturers' Association (APCMA)** seeks the **Cambodian M23** variety: yield **1.5 t/acre** vs local **0.5 t/acre**.
- AP cashew over **1.2 lakh ha**; 40–50% trees older than 25 years; about **700** processing units, **350 in Palasa-Kasibugga (Srikakulam)**; half run at 50–60% capacity.
- RCN imports: Ghana, Ivory Coast, Benin, Tanzania, Indonesia; **Cambodia = 2nd largest raw cashew producer**; visited by an **APEDA–AICA** delegation.
- **Prawn approval impact:** Australia's first approval for unpeeled Indian prawns (October 2025) was seen as a boost for **coastal Andhra Pradesh aquaculture**.

63. [PYQ] · APPSC Forest Range Officer Mains Paper-I General Studies & M

Polam Pilustondi programme of Andhra Pradesh Government aims at

a. Encouraging investment in agriculture
b. Volunteering for agriculture
c. Awareness programmes on profitable agriculture
d. Taking non-agriculturists to farms

Answer: (c)

Polam Pilustondi ('the field is calling'), launched in 2014, sends agriculture officials and scientists to villages to create awareness among farmers on profitable, low-cost, high-yield farming. It is an extension (awareness) campaign, not an investment, volunteering or farm-tourism programme.

64. [New pattern · statements]

Consider the following statements about Rythanna Meekosam and farmer services in Andhra Pradesh:
1. Rythanna Meekosam was a five-day farmer outreach held from 24 to 29 November 2025.
2. Principle 2 of its Panchasutra is agritech adoption.
3. Rythu Bharosa Kendras have been renamed Rythu Seva Kendras, numbering 10,606.
Which of the statements given above is/are correct?

a. 1 and 3 only
b. 1 and 2 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (a)

Correct: statements 1, 3. Statement 2 is wrong – Principle 2 is demand-based cropping; agritech adoption is Principle 3.

65. [New pattern · statements]

Consider the following statements about farm schemes linked to Rythanna Meekosam:
1. Annadata Sukhibhava–PM Kisan gives ₹20,000 a year per farmer – State ₹14,000 and Centre ₹6,000.
2. It was launched on 2 August 2025 with ₹7,000 to each farmer.
3. Cheaper fertilisers are supplied through Rythu Bazaars.
Which of the statements given above is/are correct?

a. 2 and 3 only
b. 1 and 2 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (b)

Correct: statements 1, 2. Statement 3 is wrong – cheaper fertilisers are at Gromor centres; Rythu Bazaars are for certified natural produce.

66. [New pattern · assertion]

Assertion (A): The SPSR Nellore 'Farmer Champions' initiative has 722 Farmer Champions.
Reason (R): One lead farmer is selected in each of the 722 gram panchayats of the district's 37 mandals.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)

Both are true and R explains A: one lead farmer per panchayat in 722 gram panchayats gives 722 Farmer Champions, selected by Mandal Agricultural Officers.

67. [New pattern · statements]

Consider the following statements about Andhra Pradesh's modified livestock insurance scheme under the National Livestock Mission:
1. For cattle and buffaloes the cover is for 3 years at a premium of 6.40%.
2. The farmer pays 15% of the premium.
3. The remaining 85% is shared by the Centre and the State in the ratio 90:10.
Which of the statements given above is/are correct?

a. 2 and 3 only
b. 1 and 3 only
c. 1 and 2 only
d. 1, 2 and 3

Answer: (c)

Correct: statements 1, 2. Statement 3 is wrong – AP is a general-category State, so the share is 60:40; 90:10 applies to hilly and North-Eastern States.

68. [New pattern · statements]

Consider the following statements about fisheries in Andhra Pradesh:
1. Under 'Super GST – Super Savings', GST on key fisheries items was cut from 12% to 5%.
2. Union Budget 2025–26 increased the customs duty on shrimp feed and fish feed.
3. Andhra Pradesh produces 35–40% of India's shrimp.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 2 and 3 only
c. 1, 2 and 3
d. 1 and 3 only

Answer: (d)
Correct: statements 1, 3. Statement 2 is wrong – the Budget reduced the customs duty.

69. [New pattern · statements]

Consider the following statements about the AIC–Andhra Pradesh Grameena Bank (APGB) MoU signed at Guntur:
1. AIC's shrimp insurance products will be sold through APGB rural branches on a bancassurance model.
2. APGB is a Regional Rural Bank sponsored by the State Bank of India.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. Both 1 and 2
d. Neither 1 nor 2

Answer: (a)
Correct: statement 1. Statement 2 is wrong – APGB is sponsored by Union Bank of India.

70. [New pattern · statements]

Consider the following statements about the APSADA Act, 2020 amendment:
1. APSADA stands for Andhra Pradesh State Aquaculture Development Authority (Agency).
2. Licence validity is now 1 year for aquaculture business units and 5 years for farming.
3. The amendment is aligned with the Coastal Aquaculture Authority Act, 2005.
4. Old registrations are endorsed on payment of the licence fee plus a 25% late fee.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (c)
Correct: statements 1, 2, 3. Statement 4 is wrong – the late fee is 50%.

71. [New pattern · assertion]

Assertion (A): Australia's import approval for unpeeled Indian prawns, announced by Nara Lokesh in October 2025, was its first such approval.
Reason (R): Australia had earlier banned unpeeled Indian prawns because of White Spot Syndrome Virus.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the earlier ban due to White Spot Syndrome Virus is why the October 2025 approval was Australia's first for unpeeled Indian prawns.

72. [New pattern · statements]

Consider the following statements about the committee on Uppada fishermen's grievances (G.O. 345, October 2025):
1. It concerns Uppada and coastal villages of U. Kothapalli Mandal, Kakinada, affected by industrial sea pollution.
2. The Commissioner of Fisheries is its Member-Convener.
3. Its mandate includes recommending compensation and suggesting alternative livelihoods.
Which of the statements given above is/are correct?

a. 1 and 3 only
b. 1 and 2 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (a)
Correct: statements 1, 3. Statement 2 is wrong – the Kakinada District Collector is the Member-Convener; the Commissioner of Fisheries is a member.

73. [New pattern · statements]

Consider the following statements about the cashew sector of Andhra Pradesh:
1. The AP Cashew Manufacturers' Association seeks the Cambodian M23 variety, yielding about 1.5 tonnes per acre.
2. About half of AP's cashew processing units are in Palasa-Kasibugga, Srikakulam.
3. Cambodia is the world's largest producer of raw cashew nuts.
Which of the statements given above is/are correct?

a. 2 and 3 only
b. 1 and 2 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (b)
Correct: statements 1, 2. Statement 3 is wrong – Cambodia is the second-largest raw cashew producer.

74. [Kept own]

Which one of the following statements regarding the e-Panta Digital Crop Survey arrangements for Kharif 2025 is incorrect?

a. NIC built a new module for the survey.
b. The new module was given to Rythu Seva Kendras.
c. The deadline for the survey was 30 October 2025.
d. The new module was given to Urban Local Bodies.

Answer: (d)
The incorrect statement is that the new module was given to Urban Local Bodies. NIC built the module and provided it to Rythu Seva Kendras; the deadline was 30 October 2025.

75. [Kept own]

What did the Centre approve in response to Andhra Pradesh's request concerning the e-Panta Digital Crop Survey for Kharif 2025?

a. Exemption of all agricultural and cultivable land
b. Exemption of non-agricultural and non-cultivable land
c. Exemption of only urban land
d. Exemption of only canal land

Answer: (b)
The Centre approved exemption of non-agricultural and non-cultivable land from the e-Panta Digital Crop Survey for Kharif 2025. Urban land and canal land were among the types included in the largely unregistered parcels, but the approval was not limited to either category.

76. [Kept own]

b. The future plan is to introduce livestock insurance
c. The Agriculture Insurance Company of India functions under the Ministry of Finance
d. Andhra Pradesh accounts for 30–35% of India's shrimp production

Answer: (d)
Andhra Pradesh's share of India's shrimp production is 35–40%, not 30–35%.

78. [Kept own]

What support is given under the 'Farmer Champions' initiative in SPSR Nellore district?

a. Free seeds and fertilisers only
b. Crop insurance premium waiver
c. Interest-free crop loans
d. Training, modern machinery, post-harvest techniques and CSR support

Answer: (d)
Farmer Champions provides training, modern machinery, post-harvest techniques and CSR support.

7. Education and APPSC (PYQs 1 · MCQs 11)

Personalised Adaptive Learning (PAL)

- Under **Samagra Shiksha, AP**: **AP first State to embed PAL in the government school curriculum**.
- **60 schools (2018) → 1,224 schools** (3.25 lakh students) in all 26 districts; adding **232 PM SHRI** schools (2025–26).
- Result: **1.9 extra years of learning in 17 months** (**University of Chicago** study); **girls and weaker students** gained most.

- **Samagra Shiksha (2018)** merged **SSA, RMSA, Teacher Education**; **PM SHRI** (Pradhan Mantri Schools for Rising India) launched **2022** as NEP 2020 models.

School mergers

- Restructuring disrupted rural schooling (some children missed up to six months); **village protests over shifting Classes 3–5** to "Model Primary Schools"; example **Bangaramma Kandriga** (2.5 km walk).
- **UDISE data (2014–2024)**: government schools **fell 4%**; private schools **rose 7%**. **UDISE+ = Unified District Information System for Education**.
- **U-DISE+ 2024-25 (provisional): 58,572 schools** (38,222 primary, 7,526 upper primary, 12,824 high schools; 44,292 in the State Govt sector, 13,484 private unaided); **3.13 lakh teachers**; enrolment **68.27 lakh**. Old APPSC key for 'number of schools (nearest)': **61,500**.

Government	Model
YSRCP (2019–24)	School Rationalisation Policy (2023): primary schools only Classes 1–2; Classes 3–5 merged with high schools
NDA–TDP (current)	Model Primary Schools (one per panchayat) for Classes 3–5; others downgraded to Classes 1–2

- **Both rounds NEP 2020-aligned**; model school gaps: 1 usable classroom, 3 teachers instead of 5, 1 shared washroom.
- **Amma Vodi (YSRCP) → Thalliki Vandanam (TDP)**: **₹13,000/year per child** to mothers; private schools collect it.
- **RTE Act, 2009** norm: school within **1 km for Classes 1–5**; mergers forced 2–3 km walks.

India's first Centralised Advanced Smart Kitchen

- At **MPP School, CK Dinne, Kadapa**, under the **Dokka Seethamma Mid-Day Meal Scheme**; inaugurated by **Nara Lokesh** (HRD, IT & Electronics).
- **₹2 crore**, **solar powered**, **RO plant**; **5 smart kitchens**, **10,332 students in 136 schools**, 13 vehicles; by December **33 kitchens in 11 mandals** of Kadapa for **1,24,689** students.

SPMVV ISO certifications

- **Sri Padmavati Mahila Visvavidyalayam** (all-women university, **Tirupati**), audits 16–17 April:

Standard	Area
ISO 21001:2018	Educational Organisation Management
ISO 50001:2018	Energy Management
ISO 14001:2015	Environmental Management

- Also **'Green Zone Certificate of Excellence'**. **SNDT Women's University, Mumbai** (1916, **Dhondo Keshav Karve**) is **Asia's first women's university**.

APPSC reform proposals

- By outgoing APPSC Chairperson **A.R. Anuradha**: Group-I **simplified syllabus**; **mandatory Computer Proficiency Test (CPT)**, validity **two years**, conducted **internally**; exams **offline** (fraud in private online centres); IITs for secure online infrastructure; **EWS** screening relaxation for Main exam; **"decayed teeth"** removed as disqualification for uniformed posts.

Remuneration	Old	New
Paper setting (per question incl. key)	₹100	₹200
Valuation (per script)	₹100	₹300
Interview board member (per day)	₹3,000	₹6,000
Tenure (Oct 2024 – Oct 2025)	Number

As per the U-DISE data of Government of Andhra Pradesh, the number of schools in Andhra Pradesh are about (choose the nearest figure)?

a. 61500
b. 51500
c. 71500
d. 55500

Answer: (a)

Printed key: 61,500. U-DISE+ 2024-25 (provisional) gives 58,572 schools, only marginally nearer 61,500 than 55,500 (Socio-Economic Survey 2024-25 p.183).
U-DISE+ puts Andhra Pradesh's schools at roughly 60,000 (58,572 in the provisional 2024-25 data, slightly higher in earlier years), so 61,500 is the nearest option (printed key). 51,500 and 71,500 are far off.

98. [New pattern · assertion]

Assertion (A): From 1 June, only urban SHG loans are to be processed through MEPMA's MLCC app.
Reason (R): MEPMA – the Mission for Elimination of Poverty in Municipal Areas – works with the urban poor through Urban Local Bodies.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: MEPMA is an urban mission working through ULBs (not rural), so its MLCC app handles urban SHG loans.

99. [New pattern · statements]

Consider the following statements about MEPMA's initiatives (2025):
1. LEAP, launched at Tadepalli on 10 April 2025, aims at one entrepreneur per household.

1. EAGLE stands for Elite Anti-Narcotics Group for Law Enforcement and is headed by IGP Ake Ravi Krishna.
2. EAGLE has its headquarters at Vijayawada.
3. EAGLE signed an MoU with UNICEF on 28 August 2026 to check ganja at village level.
4. Operation Muskaan targets red sanders smuggling.
How many of the above statements are correct?

a. Only one
b. Only two
c. Only three
d. All four

Answer: (b)

Correct: statements 1, 2. Statement 3 is wrong – the MoU was with the Indian Red Cross Society. Statement 4 is wrong – Operation Muskaan targets child labour; thermal drones are used against red sanders smuggling.

6. NTR Bharosa Social Security Pensions (PYQs 1 · MCQs 7)

Category → monthly pension

- **NTR Bharosa** (renamed from **YSR Pension Kanuka**) is run through **SERP**.

Category	Monthly pension
Old age (60+), widows (18+), weavers, toddy tappers, fishermen, single women, transgender persons, artists, others	₹4,000 (raised from ₹3,000, April 2024)
Disabled (40%+ disability), leprosy	₹6,000
Dialysis / CKDU patients	₹10,000
Fully bedridden (bilateral elephantiasis, paralysis)	₹15,000 (from ₹5,000)

- **New in 2026**: **spouse pensions** for surviving wives; pensions for **dialysis and organ-transplant** patients (added, not abolished).
- Delivery: **at the doorstep on the 1st of every month** ('**Pedala Sevalo**' day).

Outlay data

Period	Outlay
May 2025	₹2,758 crore a month
June 2026	₹2,711.79 crore for 62.19 lakh
1 September 2026	₹2,693 crore to 61.92 lakh beneficiaries
Cumulative since 2024 (as of 31 Aug 2026)	₹73,506 crore
Budget 2026-27 (annual)	₹27,719 crore

- The APPSC 2025 question on monthly pension spending (May 2025) was **voided** by APPSC (discrepancy in question/answer); there is no official key.
- **Disability pension**: AP = **India's highest** (up to ₹15,000) vs **Bihar ₹1,100** (Jun 2026).
- **16th Finance Commission**: AP has the **highest per-capita pension spending** among States.
- **2025 monthly outlay:** about **₹2,750 crore** (₹2,750.96 crore released for 1 August 2025); about **₹33,000 crore a year**.

~~ Sources: deccanchronicle.com (Aug 2025 release; ₹33,000 crore a year); app notes 6:5 (sub 1)

37. [PYQ] · APPSC disputed

As of May 2025, what is the monthly expenditure by the Andhra Pradesh government on social security pensions? Note: For this question, discrepancy is found in question/answer. So,this question is ignored for all candidates.

a. ₹1,524 crore
b. ₹2,071 crore
c. ₹2,758 crore
d. ₹3,149 crore

Answer: (c)

APPSC ignored this question for all candidates (discrepancy in question/answer). The figure closest to AP's 2025 monthly outlay (about ₹2,750 crore) is ₹2,758 crore.
AP spends about ₹2,750 crore a month on NTR Bharosa social security pensions in 2025 (₹2,750.96 crore released for 1 August 2025; about ₹33,000 crore a year), so ₹2,758 crore is the only option near the real figure. APPSC dropped the question for a discrepancy, so there is no official key.

38. [New pattern · statements]

Consider the following statements about monthly NTR Bharosa pensions:
1. The standard pension was raised from ₹3,000 to ₹4,000 in April 2024.
2. Persons with 40% or more disability get ₹6,000 a month.
3. Dialysis and CKDU patients get ₹15,000 a month.
Which of the statements given above is/are correct?

a. 2 and 3 only
b. 1 and 2 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (b)
Correct: statements 1, 2. Statement 3 is wrong – dialysis/CKDU patients get ₹10,000; ₹15,000 is for the fully bedridden.

39. [New pattern · assertion]

Assertion (A): Andhra Pradesh pays India's highest disability pension.
Reason (R): Under NTR Bharosa, fully bedridden persons get ₹15,000 a month, against ₹1,100 in Bihar.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the fully bedridden get ₹15,000 a month (from ₹5,000), which makes AP's disability pension India's highest (Bihar ₹1,100).

40. [New pattern · statements]

Consider the following statements about NTR Bharosa pension spending:
1. On 1 September 2026, ₹2,693 crore was released to 61.92 lakh beneficiaries.

Answer: (c)
The critique holds that direct cash transfers can crowd out public goods and pressure State finances.

9. Target-group, Housing and Welfare Schemes (PYQs 0 · MCQs 5)

Department and target group

Scheme	Department / target group
Jeeva Kranthi (launched 10 Dec 2020)	Animal Husbandry; sheep/goat units for women beneficiaries of YSR Cheyutha; 2,22,754 units with Paala Velluva (Phase III, 2022-23)
Adarana (1998)	support for professional workmen / artisans
Minority welfare	Haj and Jerusalem pilgrimage aid; honoraria for Imams and Mouzzans (2024-25)

- Jeeva Kranthi's aim is **women's economic empowerment through livestock**; in the 2023 assertion-reason question both statements were true but R was not the explanation of A.

Housing and canteens

Scheme	Benefit / data
Housing for All (under PMAY-G, PM JANMAN)	target 5.52 lakh houses by March 2027; a house for every eligible family by 2029 (16 Sep 2026); earlier target 7.60 lakh by 2026
Anna Canteens	cited by the CM (15 Aug 2026)

- Earlier renaming (2014): **Indiramma housing → NTR Housing**.

~~ Sources: app notes 6:5 (sub 4)

56. [New pattern · assertion]
Assertion (A): The Jeeva Kranthi scheme of Andhra Pradesh is implemented by the Animal Husbandry Department.
Reason (R): It provides sheep and goat units to women beneficiaries of YSR Cheyutha.

Row 6: Sep–4 Nov 2026: Andhra Pradesh - budget and Socio-Economic Survey highlights of the current year

1. Swarna Andhra @2047 – Targets and Ten Sutralu (PYQs 0 · MCQs 3)

The vision

- **Released: 13 December 2024** at Vijayawada by CM **N. Chandrababu Naidu** (NITI Aayog Vice-Chairman Suman Bery present); title "10 Principles – One Vision".
- **Guiding principles: 10 Padi Sutralu** (Ten Sutras) – first is Zero Poverty (P4); others: population management, employment and skilling, water security, agri-tech, logistics, energy cost, product perfection, Swachh Andhra, deep tech (APPSC PYQ: "10").
- **Targets by 2047:** economy **USD 2.4 trillion**; per capita income **USD 42,000**; needs about **15% annual growth**.

> Trap: USD 2.4 trillion is the economy, USD 42,000 the per capita income; the vision drew on NITI Aayog, not the Finance Commission.

~~ Sources: AP Socio-Economic Survey 2024-25 p.14 (1.10 Swarna Andhra Vision 2047, 10 principles, $2.4 trillion, $42,000), p.98 (6.1.6, 15% growth), p.306 (10.7 Ten Sutras); web: Deccan Chronicle / ThePrint reports of the release, 13 Dec 2024 (search results)

1. [New pattern · assertion]
Assertion (A): The Swarna Andhra @2047 Vision requires Andhra Pradesh to grow at about 15% a year.
Reason (R): The Vision targets a USD 2.4 trillion economy and a per capita income of USD 42,000 by 2047.
Select the correct answer using the codes given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: reaching USD 2.4 trillion and USD 42,000 per capita by 2047 needs about 15% annual growth.

2. [Kept own]
How many guiding principles (Padi Sutralu) does the Swarna Andhra @2047 Vision have?

a. 7
b. 12
c. 8
d. 10

Answer: (d)
The vision has 10 guiding principles (Padi Sutralu), including zero poverty, employment, water security and deep tech.

3. [Kept own]
Consider the following statements about the Swarna Andhra @2047 Vision:
1. It was launched in December 2024 by CM N. Chandrababu Naidu.
2. It targets a USD 2.4 trillion economy by 2047.
3. It was prepared with inputs from the Finance Commission.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 2 and 3 only
c. 1 and 3 only
d. 1, 2 and 3

Answer: (a)
Statements 1 and 2 are correct; the vision was prepared with NITI Aayog inputs.

2. AP Budget 2026-27 – Size, Deficits and Agriculture Budget (PYQs 0 · MCQs 4)

Main budget (BE 2026-27)

Item	2026-27 (BE)
Presented	14 February 2026, FM Payyavula Keshav
Total outlay	₹3,32,205 crore (~₹3.32 lakh crore)
Revenue expenditure	₹2,56,143 crore
Capital expenditure	₹53,915 crore (RE 2025-26: ₹39,498 crore)
Fiscal deficit	₹75,868 crore = 3.84% (≈3.8%) of GSDP
Revenue deficit	₹22,002 crore (PRS: ₹22,003) = 1.11% (≈1.1%) of GSDP
Projected GSDP 2026-27	₹19,75,073 crore = 12% growth

- **Fiscal deficit 2025-26:** BE **4.4%** → RE **4.57% (≈4.6%)** of GSDP (₹80,567 crore); 2024-25 accounts 5.11%.

> Trap: ₹75,868 crore is the fiscal deficit, not capital expenditure; 3.8% is the fiscal and 1.1% the revenue deficit.

Separate Agriculture Budget 2026-27

- **₹53,752.12 crore** for agriculture and allied sectors, presented in the Assembly by Agriculture Minister **K. Atchannaidu** (in the Council by Anagani Satya Prasad).
- Includes **₹14,276.89 crore** for Water Resources/Irrigation.
- **Annadata Sukhibhava–PM Kisan: ₹6,600 crore** proposed for 2026-27 (₹6,660 crore was released in 2025-26).
- It is a regrouping **within** the ₹3.32 lakh crore budget, not an addition to it (Agriculture & Allied Departments alone get ₹13,598 crore in the main budget).

a. 2 and 3 only
b. 1 and 3 only
c. 1 and 2 only
d. 1, 2 and 3

Answer: (c)
Correct: statements 1, 2. Statement 3 is wrong – DGFT is under the Department of Commerce, Ministry of Commerce and Industry.

14. [Kept own]

Which of the following statements regarding India’s merchandise exports in 2025–26 is incorrect?

a. Telangana’s exports grew by 24.24%, rising from ₹1.62 lakh crore to ₹1.23 lakh crore.
b. Andhra Pradesh recorded export growth of 0.43%, rising from ₹1.76 lakh crore to ₹1.77 lakh crore.
c. Karnataka and Tamil Nadu recorded growth of 17.59% and 13.57%, respectively.
d. Andhra Pradesh exported 841 product categories, including marine products, pharma and tobacco.

Answer: (a)
The incorrect statement is the first one: Telangana's exports fell 24.24%, from ₹1.62 lakh crore to ₹1.23 lakh crore; they did not grow. The statements on AP's 0.43% growth, Karnataka and Tamil Nadu, and AP's 841 product categories are correct.

5. GSDP and Per Capita Income 2025-26 (PYQs 0 · MCQs 3)

Indicator	Value
GSDP 2025-26 (First Advance Estimates)	₹17.62 lakh crore (from ₹15.91 lakh crore; +10.75% nominal)
GSDP growth 2024-26 (The Hindu, Aug 2026)	11.3% (Telangana 10.7%) (often quoted as the 2025-26 growth)
Q2 2025-26 GSDP growth	11.28% vs all-India GDP 8.7% (current prices)
Per capita income 2025-26	₹2,94,507 (from ₹2,66,699; +10.43%)

- **Target 2026-27:** GSDP ₹20.36 lakh crore, growth 15.53% (Survey); Budget projects ₹19,75,073 crore (12%).

District-wise (advance estimates 2025-26)

- **Highest per capita income: Visakhapatnam** (₹6,58,964), then **Krishna**, NTR; lowest Parvathipuram Manyam; Rayalaseema districts lag.

15. [New pattern · statements]

Consider the following statements about Andhra Pradesh's economy in 2025-26:
1. GSDP (First Advance Estimates) is ₹17.62 lakh crore.
2. In Q2 of 2025-26 AP's GSDP grew 11.28%, against all-India GDP growth of 8.7%.
3. Per capita income is ₹2,66,699.
Which of the statements given above is/are correct?

a. 2 and 3 only
b. 1 and 3 only
c. 1, 2 and 3
d. 1 and 2 only

Answer: (d)

Correct: statements 1, 2. Statement 3 is wrong – per capita income is ₹2,94,507; ₹2,66,699 was the previous year's figure.

16. [New pattern · statements]

Consider the following statements about district-wise data of Andhra Pradesh (advance estimates 2025-26):
1. Visakhapatnam has the highest per capita income, followed by NTR district.
2. Visakhapatnam is also first in GDDP.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. Both 1 and 2
d. Neither 1 nor 2

Answer: (b)

Correct: statement 2. Statement 1 is wrong – Krishna is second, then NTR.

17. [Kept own] **disputed**

What was Andhra Pradesh's GSDP growth rate in 2025-26?

a. 10.7%
b. 8.7%
c. 12%
d. 11.3%

Answer: (d)

CA notes / app key: 11.3% (AP growth 2024-26, The Hindu). Strictly, the 2025-26 advance estimate is 10.75% nominal (Praveen CA-360 May 2026 p.48).
The 11.3% figure (against Telangana's 10.7%) is the growth reported for AP for 2024-26 (The Hindu, via CARE); 12% is the Budget's projection for 2026-27 and 8.7% the all-India Q2 2025-26 GDP growth. The First Advance Estimates for 2025-26 alone show nominal GSDP growth of 10.75% (₹15.91 → ₹17.62 lakh crore).

6. Debt, Borrowings and Revenue 2026-27 (PYQs 0 · MCQs 2)

Statements 1, 2 and 3 are correct. Statement 4 is wrong: the target is a USD 2.4 trillion economy.

2. District-wise Indicators 2025-26 (PYQs 0 · MCQs 3)

Growth

- **Highest district growth: Bapatla 19.19%**; **Annamayya** the only negative (**-1.35%**), also in the bottom five in GDDP.

Top and bottom districts

Indicator	Top	Bottom
Per capita income	Visakhapatnam ₹6,58,964; then Krishna, NTR, Eluru, Tirupati	Parvathipuram Manyam ₹1,56,875; Polavaram, Srikakulam, Vizianagaram, Kurnool
GDDP	Visakhapatnam ₹1,61,009 crore; then NTR, Krishna, Tirupati, Eluru	Polavaram (lowest), Parvathipuram Manyam, ASR, Markapuram, Annamayya
Literacy	Visakhapatnam 79.05%	Alluri Sitharama Raju (ASR) 44.67% (not Polavaram)
Urbanisation	Visakhapatnam 89.69%	Polavaram 2.84%
Density	Visakhapatnam 1,870/sq km	Polavaram 54/sq km
Sex ratio	Polavaram (highest)	Markapuram (lowest)

- **Visakhapatnam** tops per capita income, GDDP, literacy, urbanisation and density (DES, May 2026).

> Exam angle: Polavaram has the lowest urbanisation and density but the highest sex ratio; lowest literacy is ASR.

1. Parvathipuram Manyam
2. Alluri Sitharama Raju
3. Markapuram
4. Polavaram
Select the correct answer using the code given below:

a. A-3, B-4, C-1, D-2
b. A-2, B-4, C-1, D-3
c. A-1, B-4, C-2, D-3
d. A-2, B-1, C-3, D-4

Answer: (c)
Bottom districts: per capita income – Parvathipuram Manyam (₹1,56,875); GDDP – Polavaram; literacy – Alluri Sitharama Raju (44.67%, not Polavaram); sex ratio – Markapuram.

6. [New pattern · statements]

Consider the following statements about district indicators of Andhra Pradesh for 2025-26:
1. Bapatla recorded the highest district growth, 19.19%.
2. Annamayya was the only district with negative growth (-1.35%).
3. Polavaram has the lowest urbanisation (2.84%) and also the lowest sex ratio.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 1 and 3 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (a)
Statements 1 and 2 are correct. Statement 3 is wrong: Polavaram has the lowest urbanisation but the HIGHEST sex ratio; the lowest sex ratio is in Markapuram.

7. [Kept own]

Which district recorded the highest urbanisation, density and literacy among the district-wise indicators cited?

a. Visakhapatnam
b. Polavaram
c. Alluri Sitharama Raju
d. Prakasam

Answer: (a)
Visakhapatnam led in urbanisation at 89.69%, density at 1,870 persons per square kilometre, and literacy at 79.05%.

3. Agriculture Rankings – Micro Irrigation, Eggs, Cocoa, Groundnut (PYQs 0 · MCQs 3)

Micro irrigation 2025-26

- **AP 1st: 3.15 lakh ha**, 1,08,143 farmers; spend ₹1,232.86 crore. Next: Gujarat 2.63, Tamil Nadu 2.62, Rajasthan 2.42 lakh ha.
- Drip 2.68 lakh ha; sprinkler 18,585 ha.
- **Subsidy:** SC/ST – **Centre 55%, State 100%** (State tops up to full cost); small farmers 55% + 90%; under **PMKSY "Per Drop More Crop"** (2015).

Egg production 2024-25

- India **14,911 crore eggs** (+4.44%); India **2nd after China**; per capita **106 eggs**.
- **AP 1st: 18.37%** share; Tamil Nadu 15.63%.

Crops (March 2026)

Crop	AP rank	Data
Cocoa	1st	~41% – 47,060 ha of 1.14 lakh ha; key district Eluru
Groundnut	2nd	2.01 lakh ha
Coconut	4th	–

8. [New pattern · statements]

Consider the following statements about micro irrigation in Andhra Pradesh (2025-26):
1. AP ranked 1st with 3.15 lakh ha.
2. Gujarat came next with 2.63 lakh ha.
3. For SC/ST farmers the Centre gives 55% and the State tops it up to 100% of the cost.
4. The subsidy is given under the 'Har Khet Ko Pani' component of PMKSY.
Which of the statements given above is/are NOT correct?

a. 1 only
b. 2 only
c. 3 only
d. 4 only

Answer: (d)
Statement 4 is NOT correct: the subsidy is under PMKSY 'Per Drop More Crop' (2015). Statements 1, 2 and 3 are correct.

9. [New pattern · statements]

Consider the following statements about egg production in 2024-25:
1. India is 2nd in the world, after China.
2. India's per capita availability is 106 eggs.
3. Tamil Nadu has the highest share, at 18.37%.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. 3 only
d. 1 and 2 only

Answer: (d)
Statements 1 and 2 are correct. Statement 3 is wrong: Andhra Pradesh is 1st with 18.37%; Tamil Nadu has 15.63%.

10. [New pattern · statements]

Consider the following statements about Andhra Pradesh's crop rankings (March 2026):
1. AP ranks 1st in cocoa, with about 41% of the area.
2. Eluru is the key cocoa district.
3. AP ranks 1st in groundnut.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (b)
Statements 1 and 2 are correct (47,060 ha of 1.14 lakh ha). Statement 3 is wrong: AP is 2nd in groundnut (2.01 lakh ha) and 4th in coconut.

4. Urea, e-Panta and Fertilizer Facts (PYQs 0 · MCQs 4)

- **Rabi 2025-26:** cropped area **+36%**, urea availability only +3%.
- **Urea per hectare: 513 kg → 338 kg** (~34% cut).
- **Driver: e-Panta** digital crop mapping – farmers 17.56 lakh → 35.51 lakh.

Fertilizer basics

- **Urea: 46% nitrogen**; ideal **N:P:K = 4:2:1**.
- DAP = N + P; SSP = phosphatic; **MOP (Muriate of Potash) = potassic, not phosphatic**.
- **Chlorophyll: nitrogen and magnesium** (not phosphorus).
- **Rhizobium:** biofertilizer of **legumes**.

~~ Sources: CARE APPSC CA April 2026 p.50-51 (Urea use stable despite rise in cropped area); app notes 6:8 (sub 5)

11. [New pattern · assertion]

Assertion (A): In Rabi 2025-26, urea use per hectare in Andhra Pradesh fell from 513 kg to 338 kg.
Reason (R): e-Panta digital crop mapping, whose farmer coverage rose from 17.56 lakh to 35.51 lakh, drove the cut.
Select the correct answer using the code given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: the notes name e-Panta digital crop mapping as the driver of the ~34% cut, even as cropped area rose 36% and urea availability only 3%.

12. [New pattern · match]
Match List-I with List-II:
List-I (Item)
A. Urea
B. MOP (Muriate of Potash)
C. Chlorophyll
D. Rhizobium

1. Biofertilizer of legumes
2. 46% nitrogen
3. Potassic fertilizer
4. Nitrogen and magnesium
Select the correct answer using the code given below:

a. A-2, B-3, C-4, D-1
b. A-4, B-3, C-2, D-1
c. A-2, B-1, C-3, D-4
d. A-2, B-4, C-3, D-1

Answer: (a)
Urea has 46% nitrogen; MOP is potassic (not phosphatic); chlorophyll contains nitrogen and magnesium (not phosphorus); Rhizobium is the biofertilizer of legumes.

13. [Kept own]
With which crops is the biofertilizer Rhizobium associated?

a. Paddy
b. Sugarcane
c. Legumes
d. Wheat

Answer: (c)
Rhizobium is associated with legumes.

14. [Kept own]
What is the ideal N:P:K ratio for fertilizer use?

a. 4:2:1
b. 2:4:1
c. 4:1:2
d. 1:2:4

Answer: (a)
The ideal N:P:K ratio is 4:2:1; urea has 46% nitrogen, of which only 30–40% is absorbed by crops.

5. AP Mushroom Mission (PYQs 0 · MCQs 3)

Item	Detail
Outlay	₹13,000 crore
Units	~1.62 lakh production units
Target	67,500 tonnes/year – to overtake Bihar (now the largest producer)
Subsidy	about ₹5,184 crore (~40%), Centre + State
Status of produce	Mushrooms to count as agricultural produce
Suitable variety	Milky mushroom – heat-resistant, suits AP

- Mushrooms are **heterotrophic fungi** (not autotrophic plants).
- **Spawn** = pure culture of fungal mycelium used as the "seed".

15. [New pattern · statements]

Consider the following statements about the AP Mushroom Mission:
1. Its outlay is ₹13,000 crore.
2. Its target of 67,500 tonnes a year is meant to overtake Odisha, now the largest producer.
3. It envisages a subsidy of about ₹5,184 crore (~40%) from the Centre and State.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. 3 only
d. 1 and 3 only

Answer: (d)
Statements 1 and 3 are correct. Statement 2 is wrong: the largest producer, to be overtaken, is Bihar.

16. [New pattern · statements]

Consider the following statements:
1. Under the AP Mushroom Mission, mushrooms are to count as agricultural produce.
2. Button mushroom is the variety suited to AP because it is heat-resistant.
3. Mushrooms are autotrophic plants.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. 1 and 3 only
d. 2 and 3 only

Answer: (a)
Statement 1 is correct. Statement 2 is wrong: the heat-resistant variety suited to AP is milky mushroom. Statement 3 is wrong: mushrooms are heterotrophic fungi.

17. [Kept own]

What is 'spawn' in mushroom cultivation?

a. Dried fruiting bodies
b. Pure culture of fungal mycelium used as seed
c. A chemical fertiliser
d. The spores released by mature mushrooms

Answer: (b)
Spawn is a pure culture of fungal mycelium, the 'seed' of mushroom farming.

6. Rabi Paddy Procurement and Rubber in Polavaram (PYQs 0 · MCQs 5)

Rabi paddy procurement 2026

- Target **23 lakh MT**, from 4 April 2026; **1,917** centres; payment within **24 hours**.
- **Rabi:** sown October–December, harvested **March–April** (Kharif: June–July / September–October).

Rubber for tribals

- **Ministry of Tribal Affairs** proposed rubber over **3,000 acres** in **Polavaram district** for the **Konda Reddi** tribe; support from Rubber Board + ITDA.
- **Rubber Board: Rubber Act, 1947**; **Ministry of Commerce and Industry**; HQ **Kottayam**, Kerala.
- **Vulcanisation:** heating rubber with **sulphur** (not carbon) – hardens it and improves elasticity and strength.

Scheme	Key point
Rubber Production Incentive Scheme (RPIS)	Minimum price ₹150/kg
Rubber Plantation Development Scheme	Traditional + non-traditional areas
Proposed PLI	Rubber goods manufacturing

18. [New pattern · statements]

Consider the following statements about Andhra Pradesh's Rabi paddy procurement 2026:
1. The target is 23 lakh MT, from 4 April 2026.
2. 1,719 procurement centres were set up.
3. Farmers are to be paid within 24 hours.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (b)
Statements 1 and 3 are correct. Statement 2 is wrong: there are 1,917 centres.

19. [New pattern · statements]

Consider the following statements:
1. The Ministry of Tribal Affairs proposed rubber over 3,000 acres in Polavaram district for the Konda Reddi tribe.
2. The Rubber Board was set up under the Rubber Act, 1947.
3. The Rubber Board functions under the Ministry of Agriculture and Farmers Welfare.
4. The Rubber Board is headquartered at Kottayam, Kerala.
Which of the statements given above is/are NOT correct?

a. 3 only
b. 1 and 3 only
c. 2, 3 and 4 only
d. 1, 2, 3 and 4

Answer: (a)
Statement 3 is NOT correct: the Rubber Board is under the Ministry of Commerce and Industry. The rest are correct.

20. [New pattern · assertion]

Assertion (A): Vulcanisation hardens rubber and improves its elasticity and strength.
Reason (R): Vulcanisation is the heating of rubber with carbon.
Select the correct answer using the code given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (c)
A is true. R is false: vulcanisation is heating rubber with sulphur, not carbon.

Row 9: Dec 2025–Feb 2026: Andhra Pradesh - budget and Socio-Economic Survey highlights of the current year

1. GSDP, Per Capita Income and District Rankings 2025-26 (PYQs 0 · MCQs 3)

State figures (2025-26 advance estimates, current prices)

- **GSDP: ₹17.62 lakh crore** (₹17,62,357 crore), up from ₹15.91 lakh crore – nominal growth **10.75%** (above the national average).
- **Per capita income: ₹2,94,507**, up from ₹2,66,699 – growth **10.43%** (RBI Handbook: 10.42%). 10.75% = GSDP growth; 10.43% = per capita income growth.
- **Agriculture and allied:** ₹5,39,454 crore = **33.2%** of GSDP (about one-third); 62% is the share of the **population** that depends on farming, not the GSDP share.
- **Inflation: 1.39%** in 2025-26 for AP (from 7.57% in 2022-23), reported by the **Union Economic Survey 2025-26** (national 1.72%; Telangana 0.20%).

District rankings (advance estimates 2025-26, released at the State Secretariat)

- Only **9 districts** have per capita income above the State average of ₹2,94,507 (not 11).

Rank	GDDP (₹ crore)	Per capita income (₹)
1	Visakhapatnam – 1,60,771	Visakhapatnam – 6,58,091
2	NTR – 1,05,173	Krishna – 4,82,078
3	Krishna – 98,801	NTR – 3,91,390
4	Tirupati – 98,526	–
Last	Parvathipuram Manyam – 6,723	Parvathipuram Manyam – 1,56,977

- GDDP 2nd = **NTR**; per capita income 2nd = **Krishna**. Highest district growth: Bapatla (19.19%); Annamayya negative (-1.35%).

> PYQ angle (other rows and book 3): APPSC asks the GSDP growth rate, sector shares (agriculture about one-third) and the top district by GDDP or per capita income.

~~ Sources: Praveen CA-360 Feb 2026 magazine p.61 (GDDP/PCI ranks); Praveen CA-360 May 2026 magazine p.48 (10.75%, ₹17.62 lakh crore); Praveen CA-360 Aug 2026 p.77 (₹2,66,699 → ₹2,94,507); Praveen CA-360 Jan 2026 p.98 (inflation 1.39%); The Hans India 15 Feb 2026 (33.20%, ₹5,39,454 crore, 62%)

1. [New pattern · statements]

Consider the following statements about the Andhra Pradesh economy in 2025-26 (advance estimates):
1. GSDP is ₹17.62 lakh crore, a nominal growth of 10.75%.
2. Agriculture and allied sectors make up about 62% of GSDP.
3. Inflation fell to 1.39%, from 7.57% in 2022-23.
Which of the statements given above is/are correct?

a. 1 only
b. 3 only
c. 1 and 2 only
d. 1 and 3 only

Answer: (d)
Statements 1 and 3 are correct. Statement 2 is wrong: agriculture and allied is 33.2% of GSDP (about one-third); 62% is the share of the population that depends on farming.

2. [New pattern · match]

Match List-I with List-II:
List-I (Ranking (2025-26 advance estimates))
A. 1st in GDDP
B. 2nd in GDDP
C. 2nd in per capita income
D. Last in per capita income
List-II (District)
1. Krishna
2. Parvathipuram Manyam
3. NTR
4. Visakhapatnam
Select the correct answer using the code given below:

a. A-1, B-3, C-2, D-4
b. A-2, B-1, C-4, D-3
c. A-3, B-4, C-1, D-2
d. A-4, B-3, C-1, D-2

Answer: (d)
Visakhapatnam is 1st in GDDP (₹1,60,771 crore) and per capita income; NTR is 2nd in GDDP but Krishna is 2nd in per capita income; Parvathipuram Manyam is last (₹1,56,977).

a. The State average per capita income was ₹2,94,507
b. Only 9 districts were above the State average per capita income
c. 11 districts were above the State average per capita income
d. Visakhapatnam ranked first in per capita income

Answer: (c)
Only 9 districts, not 11, were above the State average per capita income of ₹2,94,507.

2. AP Budget 2026-27 – Size, Deficits and Debt (PYQs 0 · MCQs 3)

- **AP Budget 2026-27: ₹3,32,205 crore**, presented by Finance Minister **Payyavula Keshav** (his third consecutive budget) on **14 February 2026**; not the CM, Pawan Kalyan or Nara Lokesh.

Item	₹ crore	% of GSDP
Total expenditure	3,32,205	–
Revenue expenditure	2,56,143	–
Capital expenditure	53,915	–
Revenue deficit	22,002	about 1.11%
Fiscal deficit	75,868	about 3.84%
Primary deficit	38,588	about 1.95% (PRS rounds to 2.0%)

- GSDP assumed for 2026-27: **₹19,75,073 crore** (growth about 12%).
- **2025-26 revised:** fiscal deficit **4.57% ≈ 4.6%** of GSDP – **higher** than the 4.4% budgeted; revenue deficit 2.33%.

Debt and interest

- Outstanding debt about **36% of GSDP** in 2026-27 (36% also in 2024-25; 33% in 2021-22).
- Debt about **₹7.11 lakh crore** (2026-27) against ₹6.35 lakh crore (2025-26).
- **Interest payments:** about **₹37,781 crore = about 16% of revenue receipts** (36% is debt/GSDP, not interest).
- Fiscal deficit ₹75,868 crore is far bigger than revenue deficit ₹22,002 crore; do not swap them.

> PYQ angle: debt–GSDP ratio and interest as % of revenue receipts are the most repeated AP-budget PYQs (book 3); FRBM Act year asked in this topic (Union Act 2003; AP Act 2005).

4. [New pattern · match]
Match List-I with List-II:
List-I (Deficit)
A. Revenue deficit 2026-27 (₹22,002 crore)
B. Fiscal deficit 2026-27 (₹75,868 crore)
C. Primary deficit 2026-27 (₹38,588 crore)
D. Fiscal deficit 2025-26 (revised)
List-II (Share of GSDP)
1. About 3.84%
2. About 4.6%
3. About 1.11%
4. About 1.95%
Select the correct answer using the code given below:

a. A-3, B-1, C-4, D-2
b. A-3, B-4, C-2, D-1
c. A-2, B-1, C-3, D-4
d. A-3, B-1, C-2, D-4

Answer: (a)
BE 2026-27: revenue deficit ₹22,002 crore ≈ 1.11%, fiscal deficit ₹75,868 crore ≈ 3.84%, primary deficit ₹38,588 crore ≈ 1.95% of GSDP; the 2025-26 revised fiscal deficit was 4.57% ≈ 4.6%.

5. [New pattern · statements]

Consider the following statements about the Andhra Pradesh Budget 2026-27:
1. It was presented by Finance Minister Payyavula Keshav on 14 February 2026, his third consecutive budget.

Row 11: Special topics: Andhra Pradesh - budget and Socio-Economic Survey highlights of the current year

1. Deficits, Debt and the FRBM Act (PYQs 1 · MCQs 4)

FRBM Act – PYQ

- **Fiscal Responsibility and Budget Management Act, 2003** (Union): enacted **26 August 2003**, in force **5 July 2004**; caps fiscal deficit (3% of GDP goal) and debt.
- The FRBM **Bill** was introduced in Parliament in **2000**; **AP's own FRBM Act is of 2005** – both are traps for "the FRBM Act year" (answer **2003**).

Definitions

- **Revenue deficit** = revenue expenditure − revenue receipts.
- **Fiscal deficit** = total expenditure − total receipts excluding borrowings.

AP deficit ratios

Deficit	2026-27 BE	2025-26 RE
Revenue deficit	₹22,002 crore = 1.11% of GSDP	₹41,118 crore = 2.33%
Fiscal deficit	₹75,868 crore = 3.84% of GSDP	₹80,567 crore = 4.57%

- FD **3.84%** is still **above the 3% norm**.
- Outstanding debt about **36% of GSDP** (about ₹7.11 lakh crore) in 2026-27.

Financial Responsibility and Budget Management Act was introduced in the year

a. 2000
b. 2001
c. 2003
d. 2005

Answer: (c)

Most books and keys: 2003 (year of enactment). Strictly, the FRBM Bill was introduced in Parliament in 2000 and the Act came into force on 5 July 2004 (Ramesh Singh p.19); AP's own FRBM Act is of 2005 (India Code, AP Act 34 of 2005).
The (Union) Fiscal Responsibility and Budget Management Act was enacted in 2003 (26 August 2003) and came into force on 5 July 2004; it is what books call 'the FRBM Act, 2003'. The FRBM Bill was first introduced in Parliament in December 2000, and Andhra Pradesh's own FRBM Act is of 2005, so 2000 and 2005 are traps.

c. Both 1 and 2
d. Neither 1 nor 2

Answer: (a)

Statement 1 is correct. Statement 2 is wrong: fiscal deficit = total expenditure − total receipts EXCLUDING borrowings.

3. [New pattern · statements]

Consider the following statements about Andhra Pradesh's fiscal position:
1. The revenue deficit for 2026-27 is ₹22,002 crore, 1.11% of GSDP.
2. The fiscal deficit for 2026-27, ₹75,868 crore (3.84% of GSDP), is within the 3% norm.
3. Outstanding debt in 2026-27 is about 36% of GSDP.
4. The 2025-26 revised fiscal deficit was 4.57% of GSDP.
Which of the statements given above is/are NOT correct?

a. 2 only
b. 4 only
c. 1 and 2 only
d. 1 and 4 only

Answer: (a)

Statement 2 is NOT correct: 3.84% is still above the 3% norm. The others are correct.

BE 2026-27: non-debt receipts ₹36.5 lakh crore (₹34 lakh crore in RE 2025-26), net tax receipts ₹28.7 lakh crore, capital expenditure ₹12.2 lakh crore, total expenditure ₹53.5 lakh crore.

22. [New pattern · assertion]

Assertion (A): The Union fiscal deficit is budgeted at 4.3% of GDP for 2026-27, against 4.4% in RE 2025-26.
Reason (R): Outstanding liabilities of the Centre are projected at 55.6% of GDP in 2026-27, against 56.1%.
Select the correct answer using the code given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (b)
Both are true (BE 2026-27 vs RE 2025-26), but the fall in the debt ratio does not explain the lower fiscal deficit; it is, if anything, a consequence of lower deficits.

Row 12: Overview and data: Andhra Pradesh - budget and Socio-Economic Survey highlights of the current year

1. GSDP, Per Capita Income and District Data 2025-26 (PYQs 0 · MCQs 2)

- **GSDP** 2025-26 (advance estimates, current prices): **₹17.62 lakh crore** (₹17,62,357 crore), up from ₹15.91 lakh crore = nominal growth **10.75%** (not 10.43%, which is the per capita income growth).
- **Per capita income** 2025-26 (AE): **₹2,94,507**, up from ₹2,66,699 (about **10.43%**).
- **Agriculture's share of GSDP: 33.20%** (₹5,39,454 crore of ₹17,62,357 crore) – about one-third.
- **Districts: Visakhapatnam** = highest per capita income (₹6,58,091) and GDDP; **Krishna** is next in per capita income (₹4,82,078); NTR is 2nd in GDDP.
- Target for 2026-27 (district strategies under Swarna Andhra): GSDP ₹20.36 lakh crore, growth 15.53%; the Budget itself assumes ₹19,75,073 crore (12%).

> PYQ angle (book 3 rows 109-110, 132): growth rate, agriculture's share and the top district are the facts APPSC asks from each Survey.

1. [New pattern · statements]
Consider the following statements about Andhra Pradesh in 2025-26 (advance estimates):
1. GSDP grew 10.75% in nominal terms.
2. Per capita income is ₹2,94,507, up about 10.43%.
3. Agriculture's share of GSDP is 36.04%.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (b)
Statements 1 and 2 are correct. Statement 3 is wrong: agriculture is 33.20% of GSDP (₹5,39,454 crore); 36.04% is the debt–GSDP ratio of 2025-26 RE.

2. [New pattern · statements]
Consider the following statements about district data for 2025-26 (AE):
1. Visakhapatnam has the highest per capita income and GDDP.
2. NTR is next to Visakhapatnam in per capita income.
Which of the statements given above is/are correct?

a. 1 only
b. 2 only
c. Both 1 and 2
d. Neither 1 nor 2

Answer: (a)
Statement 1 is correct. Statement 2 is wrong: Krishna is next in per capita income (₹4,82,078); NTR is 2nd in GDDP.

2. Deficits, Debt and Fiscal Rules (PYQs 0 · MCQs 3)

Item	2024-25 actuals	2025-26 RE	2026-27 BE
Revenue deficit	₹60,285 cr = 3.79%	₹41,118 cr = 2.33%	₹22,003 cr = 1.1% of GSDP
Fiscal deficit	₹81,362 cr = 5.11%	₹80,567 cr = 4.57% (BE 4.4%)	₹75,868 cr = 3.8% of GSDP

- 2024-25 figures are from the AG's finance accounts: RD **3.79%**, FD **5.11%** (not the other way round).
- GSDP projected for 2026-27: **₹19,75,073 crore**, growth **12%**.
- **Centre's** fiscal-deficit target 2026-27 = **4.3% of GDP**: AP's 3.8% of GSDP is **lower** than it. 16th FC limit for States: **3% of GSDP** (2026-31), so AP's 3.8% is above that.
- AP FRBM Act **2005** sets the deficit and debt targets (Union FRBM Act 2003).

Debt and guarantees

- **Outstanding debt: ₹6,35,177 crore = 36.04% of GSDP** (2025-26 RE); expected **₹7,11,094 crore** (about ₹7.11 lakh crore) by end of 2026-27; steady at about **36%** of GSDP (33% in 2021-22).
- The **₹11,000 crore** of Centre's **50-year interest-free capex loans** (0.6% of GSDP) are kept outside the borrowing ceiling / debt figure.
- **Guarantees:** total guarantees availed about **₹3,11,182 crore** (app notes) – cited as evidence of growing **off-budget borrowing**; outstanding guarantees **₹1,77,328 crore** (31 Dec 2025, 10% of GSDP, PRS).
- CAG: off-budget borrowings **₹1.28 lakh crore** (March 2023, 9.7% of GSDP).

PYQ angle: AP's debt–GSDP ratio is the single most repeated AP-budget PYQ (book 3 row 130: 9 PYQs on debt, 5 on deficits).

~~ Sources: AP Budget Speech 2026-27 p.26 (paras 84-86); PRS AP Budget Analysis 2026-27 (11 Mar 2026) p.5-6 (deficits, 36%, ₹11,000 crore capex loans, guarantees ₹1,77,328 crore, CAG off-budget); Union Budget 2026-27 Highlights p.17 (Centre 4.3%); Deccan Chronicle via web search (₹7.11 / ₹6.35 lakh crore)

3. [New pattern · statements]

Consider the following statements about Andhra Pradesh's deficits:
1. In the 2024-25 actuals, the revenue deficit was 5.11% and the fiscal deficit 3.79% of GSDP.
2. AP's 2026-27 fiscal deficit target of 3.8% of GSDP is lower than the Centre's 4.3% of GDP.
3. GSDP is projected to grow 12% in 2026-27, to ₹19,75,073 crore.
Which of the statements given above is/are correct?

a. 1 and 2 only
b. 1 and 3 only
c. 2 and 3 only
d. 1, 2 and 3

Answer: (c)
Statements 2 and 3 are correct. Statement 1 is wrong: the 2024-25 actuals were RD 3.79% and FD 5.11% (not the other way round).

4. [New pattern · assertion]

Assertion (A): Andhra Pradesh's fiscal deficit target of 3.8% of GSDP for 2026-27 is above the 16th Finance Commission's limit for States.
Reason (R): The 16th Finance Commission limit for States' fiscal deficit is 3% of GSDP for 2026-31.
Select the correct answer using the code given below:

a. Both A and R are true, and R is the correct explanation of A
b. Both A and R are true, but R is NOT the correct explanation of A
c. A is true, but R is false
d. A is false, but R is true

Answer: (a)
Both are true and R explains A: since the limit is 3% of GSDP, AP's 3.8% (₹75,868 crore) is above it, though lower than the Centre's 4.3% of GDP.

5. [New pattern · statements]

Consider the following statements about Andhra Pradesh's debt:
1. Outstanding debt is ₹6,35,177 crore, 36.04% of GSDP, in 2025-26 RE.
2. It is expected to reach ₹7,11,094 crore by the end of 2026-27.
3. The ₹11,000 crore of 50-year interest-free capex loans from the Centre is counted in the debt figure.
4. Guarantees of about ₹3,11,182 crore are cited as evidence of growing off-budget borrowing.
Which of the statements given above is/are NOT correct?

a. 1 only
b. 3 only
c. 3 and 4 only
d. 1, 2, 3 and 4

Answer: (b)
Statement 3 is NOT correct: the 50-year interest-free capex loans (₹11,000 crore, 0.6% of GSDP) are kept outside the borrowing ceiling and debt figure. The others are correct.

3. AP Budget 2026-27 – Size and Allocations (PYQs 0 · MCQs 2)

- Main Budget presented by Finance Minister **Payyavula Keshav** (his **third**) on **14 February 2026**.
- Total outlay: **₹3,32,205 crore** (about ₹3.32 lakh crore); **revenue expenditure ₹2,56,143 crore**.

7. [Kept own] **disputed**

Which department received ₹34,350 crore in the Andhra Pradesh Budget 2026-27?

a. Social Welfare
b. School Education
c. Minority Welfare
d. BC Welfare

Answer: (d)
Most reports and the app: BC Welfare ₹34,350 crore (The News Minute). The BC Welfare Department proper is given as ₹23,650.88 crore (South First) or ₹23,324.44 crore (Deccan Chronicle); either way the answer is BC Welfare.
₹34,350 crore was reported for BC Welfare in the AP Budget 2026-27 (the BC component across departments is ₹51,021 crore). Social Welfare got ₹11,118 crore, School Education ₹32,308 crore and Minority Welfare ₹2,956 crore.

4. Revenue Receipts 2026-27 – Own Tax vs Central Transfers (PYQs 0 · MCQs 1)

- Revenue receipts **₹2,34,140 crore** = **own resources 59% (₹1,37,320 crore) + central transfers 41% (₹96,820 crore)**.
- Central transfers = tax devolution ₹64,362 crore (27%) + grants ₹32,458 crore (14%).
- Own tax revenue **₹1,25,846 crore** (6.4% of GSDP).

Own-tax source	2026-27
SGST (largest)	₹45,078 crore (about 36%)
State Excise	₹30,067 crore
VAT (taxes on sales)	₹24,126 crore
Stamps and registration	₹18,701 crore

- **Revenue-deficit grants ended under the 16th Finance Commission** (it dropped revenue-deficit, sector-specific and State-specific grants of the 15th FC).
- 2025-26 RE: own tax ₹98,025 crore vs central transfers ₹1,04,493 crore (transfers larger).

8. [New pattern · statements]

Consider the following statements about Andhra Pradesh's revenue receipts for 2026-27:
1. Own resources are 59% and central transfers 41%.
2. SGST is the largest source of own tax revenue.
3. Revenue-deficit grants continue under the 16th Finance Commission.
How many of the above statements are correct?

a. Only one
b. Only two
c. All three
d. None

Answer: (b)
Statements 1 and 2 are correct (SGST ₹45,078 crore, about 36%). Statement 3 is wrong: revenue-deficit grants ended under the 16th Finance Commission.

5. Externally Aided Projects (PYQs 0 · MCQs 3)

Project	Funding agency	Objective / status
APIIATP (Integrated Irrigation and Agriculture Transformation)	World Bank	Climate resilience in 565 minor-tank villages; ended 31 Oct 2025
APILIP-II (Irrigation and Livelihood Improvement, Phase II)	JICA	More irrigated area in 21 districts
VCIC (Visakhapatnam–Chennai Industrial Corridor) programme	ADB	Industrial corridor; ₹3,300 crore loan in two tranches (app notes)
Amaravati Capital City Development Programme	World Bank + ADB (also HUDCO)	Capital works
AP Road Sector Project	World Bank	Repair of 850 km of MDRs and State highways
SALT (Supporting Andhra's Learning Transformation)	World Bank	School learning outcomes
APRIGP (Rural Inclusive Growth Project)	World Bank (IDA)	Farm incomes and services for poor households in backward mandals; SERP
AP Economic Restructuring Project (signed 1999)	World Bank	Fiscal reform plus primary health, nutrition, primary education and rural assets
